٠.

The purpose of this Modification No. 05 is to add clause 152.245-714, therefore the following revisions are hereby made to the contract schedule:

SECTION G - CONTRACT ADMINISTRATION DATA

G-7. 152.245-704 Government Furnished Property, Facilities and Services (AUG 1996) is herehy deleted and replaced with -

G-7. 152.245-714 Government Property (NOV 2005)

(a) General: The contractor shall maintain adequate property control procedures, records, and a system of identification of all Government property accountable to this contract in accordance with FAR Part 45 and the applicable Government Property clause incorporated by reference in Section I. The contractor must include this clause in all subcontracts that utilize Government property.

(b) Government Property Administrator: The Contracting Officer has delegated property administration authority to the Agency Property Administrator.

(c) Contractor Property Representative: The contractor shall provide written notification of the name, address, and telephone number of the contractor's designated property representative responsible for establishing and maintaining control of Government property under this contract to the Agency Property Administrator at the address indicated below within thirty (30) days after receipt of this contract.

If the contractor's Property Representative changes, the contractor must notify the Government Property Administrator of the change within 30 days.

(d) Government Property List: The Government shall deliver to the contractor the property identified in the Section J attachment entitled "Government Property Report" for use in the performance of this contract on a no-charge-for-use basis. The contractor may use Government property in their possession, which is accountable to other Agency contract(s), if the Contracting Officer s) of the other contract(s) provides written authorization of their approval for use on a rent-free, non-interference basis.

(e) Financial Reporting - General: The Government must account for and report assets in accordance with 31 U.S.C. 3512 and 31 U.S.C. 3515, Federal Accounting Standards, and Office of Management and Budget (OMB) instructions. Since contractors maintain the official records for Government assets in their possession, the Government must periodically obtain data from those records to complete its financial reports. Changes in Federal Accounting Standards and OMB reporting requirements may occur from year to year, requiring contractor submission of supplemental information. The specific Statements of Federal Financial Accounting Standards (SFFAS) to be used for property records are SFFAS No. 3 "Accounting for Inventory and Related Property and Materials", SFFAS No. 6, "Accounting for Property, Plant and Equipment", and "SFFAS No. 11, "Amendments to PP&E: Definitions" issued by the Federal Accounting Standards Advisory Board.

(f) Financial Reports: To assist the Government with these requirements, the contractor's property control system shall report the total acquisition cost of Government property for which the contractor is accountable under this contract, including Government property as defined in FAR 45.101. The contracting officer will provide the total acquisition cost for all property furnished to the contractor by the Government in the Section J attachment entitled "Government Property Report". The contractor shall submit Quarterly and Annual Government Property Reports to the Government Property Administrator in accordance with the detailed instructions set forth in the Section J attachment entitled "Reporting Requirements for Government Property" to provide periodic updates to the list of property accountable to this contract and to provide information on contractor acquired property. The contractor shall also submit a Property Disposition Report with its Quarterly and Annual Reports to identify deletions from contract property records associated with this contract. The Quarterly, Annual, and Disposition Reports shall be considered updates to the Section J attachment entitled "Government Property Report". In addition, the contractor shall submit a Final Disposition Report within 30 days after disposition of all property accountable to this contract. Failure to provide required reports may result in termination of this contract, suspension of payment by the Government until required reporting is received, or other action as deemed appropriate by the Contracting Officer.

(g) Documentation Required to Support Contractor Acquired Property Items: The contractor shall furnish the Government Property Administrator a copy of all documentation to support the reported acquisition cost and acquisition date for all contractor acquired property valued at \$50,000 and above within tbirty (30) days of delivery by the vendor to the contractor. All contractor acquired property purchases since the last submitted report must be reported on the next Quarterly Report.

(h) Form 5025 - Annual Government Property Report: After completing the Annual Government Property Report, the contractor shall submit the completed inventory to the COTR for validation and verification. The contractor shall receive a signed copy of the inventory back from the COTR. This will be verified during an audit conducted by the Government Property Administrator. The contractor shall also submit a signed copy of the Form 5025 - Annual Government Property Report along with the required Report attachments to the Government Property Administrator in accordance with the instructions in the Section J attachment entitled "Reporting Requirements for Government Property".

SECTION J - LIST OF ATTACHMENTS

3	Reporting Requirements for Government Property
4	Annual Government Property Report

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.
