From boukamal in Syria  
 G> we entered the borders in a village, then we moved on we went to diff village (unknown) then to another village «ANA» (Iraqi village), in Am we went to the local ground station to hire a car, we hired an Iraqi car, until we were stopped by Iraqi forces who searched the car.

They interrogated all 4 of us asked for ID's The American got a hold of our ID's, An American interrogated us with an interpreter, they asked us to get on the ground (on our knees).

The American left us to the Iraqis who beat/kicked Abu bechir and (B)(6)(7C)

until Abu Bechir run away, he was beaten so hard, I heard gunshots, I heard the Iraqi's talking about Abu bechir was dead, ~~also~~ and we overheard the interpreter saying « he is dead ». I did hear loud yelling « stop, stop. (in English) » before the shots were fired.

I swear, on the Holy Quran that All these statements the Truth.

CONTROL: 26JUN05-MEBJ-0378-7HMA

I/II MEF, IRAQ/DEATH OF AN UNIDENTIFIED DETAINEE ESCAPEE

RECEIPT OF PRELIMINARY AUTOPSY REPORT FROM AFIP

1. On 15Jul05, Reporting Agent received documentation from the Armed Forces Institute of Pathology (AFIP), regarding the post mortem examination of the unidentified Syrian National, killed while fleeing the custody of U.S. Marines and Iraqi Armed Forces at a vehicle check point near Haditha, Iraq. (B)(6)(7C) MC USNR, Associate Medical Examiner, and (B)(6)(7C) MC USN, Deputy Medical Examiner, performed the autopsy on the remains and determined the cause and manner of death as multiple gunshot wounds and homicide, respectively; Enclosure (A) pertains.

2. (B)(6)(7C) and (B)(6)(7C) discovered two gunshot wounds to the back, one exiting the left side of the chest and other exiting above the left clavicle. No bullets or fragments were recovered and there was no soot or stippling present, ruling out close contact wounds. There were also no indications of natural disease or medical treatment administered, and the remains were in a moderate to severe state of decomposition.
