9. [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I arrived at Abu Ghraib on 21 October 2003 to conduct interrogation operations. When I first arrived to Abu Ghraib, I received a tour of the facilities, screening sites, Hard Site, and Camp Vigilant. I also received a briefing on Interrogation Rules of Engagement and a hand out on the IROEs which I signed. The briefing presented by [REDACTED] was clear cut on the IROE. I do not remember receiving any information on the Geneva Convention when I arrived, but classes were given on a regular basis. At the time I arrived, COL PAPPAS was in charge but not on-site. [REDACTED] ran operations. The MPs were initially in charge of the facility until LTG Sanchez placed COL PAPPAS as the commander. I really didn't see any changes after COL PAPPAS was placed in charge. I never witnessed or knew of any detainee abuse. I first heard about it when CID began their investigation. I did not know of abuse during interrogations or any MI personnel telling the MPs to "soften up" or "give the MP the Treatment". I found out after the fact that a dog was used during an interrogation. I do not remember who told me. We had an incident where a prisoner was smuggled a gun by the Iraqi guards that run the prison. The prisoner used the gun to try to kill an MP. So all of the Iraqi guards were stopped at the gate and questioned. That was when I heard a dog was used inappropriately. I never saw any photos. Personnel who might know about detainee abuse or photos are [REDACTED] and one of the contracted linguists, whose name I don't remember, who worked for the Tactical Humint Team.

Q. Do you have anything to add to this statement?
