9. [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: I arrived at Abu Ghraib on 15 October 2003 to conduct interrogation operations. When I first arrived at Abu Ghraib, I received 2-3 days of orientation. [REDACTED] gave a briefing on Interrogation Rules of Engagement (IROE). She discussed the right and left limits and we signed a memorandum for record stating that we knew and understood those limits. There was nothing out of the norm from the school instruction. I never witnessed detainee abuse but I had heard rumors once the investigation began. I never heard anyone tell the MPs to "soften up" a detainee or give them "The Treatment." The MPs would be told when a guy was an "asshole." I was not aware of any photos on detainees. On 14 December the as the Section Chief for Special Projects, one of my interrogation teams requested the use of dogs for a detainee captured in conjunction with Saddam Hussein. At approximately 0200hrs, I requested the dogs from COL PAPPAS and he stated that he would call higher to request permission. I began writing the memo IAW our IROE and an hour later it was approved and I was given the guidelines for using the dog. The dog did not hurt anyone as it was always about 5 feet away from the detainee. I was standing to the side of the dog handlers during the entire time that the dogs were used for this interrogation. When I arrived at Abu Ghraib, I do not remember who was the FOB Commander. Sometime during my deployment here, [REDACTED] took command of the FOB and took over the entire site, there was an increase on force protection, but nothing else to my recollection. I do not know what [REDACTED] duty was. The chain of command was very convoluted. The relationship with the MPs was good but there were a few problems. Some of the issues were escort duties. They would escort at the beginning and then those duties became the MI's responsibilities. Q. Do you have anything to add to this statement? A. No ////////////////////////////////////End of Statement//////////////////////////////////// [REDACTED]
