It wasn tuntil later that I found out out out of the made things happened. It wasn tuntil later that I found out out out of the made them are stated as the state of the wasn in the protocol of the state of the wasn in the protocol of the state of the wasn in the protocol of the state of the the made to the state of the wasn is approximated. There was on for y visits with a state out of Abu Ghraib. He took me to the state of the sta	ORGANIZATION ON	OLICE COMPANY, CUN	BERLAND, MD (DEPLC	JYED TO IKAQ)	
1. A service to Bu Ghraib on 15 October 2013. My role was 372nd MP Co Commander. When I arrived, the average of the SUD MP Bu. I believed the service of the MI folks. He was involved an exercising arrived of the 320th MP Bu. I believed the service of the MI folks. He was involved an exercising arrived and service of the service of the MI folks. He was involved an exercising arrived and service of the service of the MI folks. He was not approximately the propies in an out. The House man arrive of the propies of the service of the service of the service of the service of the MI folks. The Was arrived and the service of the service of the service of the WI folks to the MI folks. The Was are a courred to Wing 1 with the folks to the service of the WI folks to Wing 1 with and the Wing 1 were that the MI folks to the max is an acceptable of the previous company commender and be rated that was a contrastice by MI. I did was a service of the Wing 1 with MI folks. They saw what I saw 1 proceeding the the previous down and the Wing 1 with MI folks. They saw and the were that the MI folks to the max on the state that the MI folks to the max is the service of the the max was an acceptable previous down as to wrow as the service of the MI rules of Engagement (GGA) to 1 just figured they knew what the the MI folks. They say and the service down is to any MI folks. They say and the service down is the service of the second time. Sometime after the MI rules of Engagement (GGA) to 1 just figured they knew that the MI folks is during and the service of the second time. There was a some confusion as to who was the the was and the service and was an accept for the received them. There was an depast deal max is the way that service that, they stopped having naked deal second time. There was an addered the service of the second time. Sometime after that, they stopped having naked deal second the stopped must be service the accept for one transmitter deal was and they there and the service of the second time. They second the secon					TATEMENT UNDER OATH
arrived to Bu Ghraib on 15 October 2003. My role was 372nd MP Co Commander. When I raintee are work of the 320th MP Bo. I believed how an incharge of the MI folks. He was involved to use working a work of the 1 begate and a bings happened. It wasn't until later that I donut out was and the set is and the set of Ab Difference and the previous Company Commander. Wind I folks to the advect of the Difference and the took me to the Hard Site in particular, WING I. He rout ne mai we work of a work of the Difference and out. The MSS controlled access to the wing 'They had the keys and would be people in and out. The MSS controlled access to the wing 'They had the keys and would be people in and out. The MSS controlled access to the wing 'They had the keys and would be people in and out. They was the folk work of the messaring and some folks from the previous company commander and the travel bases a common practice by MI. I did set was something wrong, burt would go to Wing I with MI folks. We was the feel where what their procedures were and that time was an acceptable programization Agencies (OGA) so I just figured they knew what the their procedures were did question this to any MI P organization Agencies (OGA) so I just figured they knew what the figure and they knew what leave in prevent did question this to any MI P organization Agencies (OGA) so I just during one part of the day. They saw what leave in they stopped having naked deain concurred sometime in December. I never saw or had how are very for straining, Thing got a little better after the international configuration within the second time. Sometime after that the shooting is not was a big issue with a situation the second time. Sometime after that the shooting is not was down at Wing 1. One of the interrogators is to who was who. We had MI personne took a detainee to a cell. While the second time is a work of the second time a some confusion at so to who was who we had the twas a were set to be discleaded to the state of the second tin the second time as			, WANT TO MA	AKE THE FOLLOWING S	STATEMENT ONDER OAT
of the 320th MP Bb. Techeved the made things happened it wasn't until later that found out when a method something doe. He made things happened it wasn't until later that found out when a spreachable. I began a Relief in Place with the previous company Commander, the root of Ab Obrah. He took me to the Hard Site in particular, WING 1. He root me that we wind the provide to the people in and out. I was subcreative the locates to the wing "They had the keys and would be people in and out. If we subcreative the locates in the MI folks told him that was an MI procedure in the varies of the provide the the people in additional sources of the subcreative the locates in the MI folks told him that was an MI procedure was sometoning wrong, but the previous company commander and be tradefored that was a negative by MI. I did the set of the were and that the varies of the source of the day is some confusion as to wing 1 with MI folks. We what uses a common particle by MI. I did the set of the was of the day is a some confusion as to who was who. We had MI personnel and the some the some the some the some the source of the day. They saw what I saw is neceron the source of the day is some confusion as to who was who. We had MI personnel the better after the intermational contention in the source of the day is some confusion as to who was who. We had MI personnel and the better after the intermational community Red Cross (ICRC) came to visit for the second time. Sometime after that, they stopped having naked decay or videos before the unvestigation began. The only ture is that and outer abuse by MI personnel that I was aware of I have no knowledge of the day. There was no ther abuse by MI personnel that I was aware of I have no knowledge of the day is during their interrogations. We used to get morar attacks a few times a weak as a big issue with so or videos before the unvestigation began. The only ture is hard of days used was after the shooting. I have no knowledge of the day is during the interrogations. We used to get m	··		ale was 272nd M/P Co Co	mmander. When I a	was in charge
when I needed something doe: "If made things happened. If wash this have company Commander, how any tapponchable. I hear a Relief in the place with the previous Company Commander, in the bar was me a lour of Abu Ghraib. He took me to the Hard Site in particular, WING I. He took me that we have me a lour of Abu Ghraib. He took me to the Hard Site in particular, WING I. He took me that we have me a lour of Abu Ghraib. He took me to the Hard Site in particular, WING I. He took me that we have in the state of the state o	arrived to Bu Ghrait	on 15 October 2003 My	role was 372nd Mil Co Co	ks. He was involved	in everything of would go to hir
harme the use of a low of Abu Ghraib. He took me to the Hard Site in particular, WNG 1. He told the task of a first state of a low of Abu Ghraib. He took me to the Hard Site in particular, WNG 1. He told the task of my visits with a low as shored user to be wing that the detainees in Wing 1 were naked. There was of fmy visits with a low as the relative user to be mered that the detainees in Wing 1 were naked. There was of fmy visits with a low as the relative user to be mered that we as a common particle by MI. I did asked may some only the previous company commutice and he caused that was a common particle by MI. I did asked may some only and the more that the MI folks told him that was an acceptable programmatic and how the Procedures were and that this was an acceptable programmatic and how the provide without nametags; there were for for any institute on the some to mission as to who was who. We had MI personnel the there after the international concurred some time in the international for the day. They saw what I saw in present except for one coccurred sometime in the center after the international for the international to visit for the second ture. Sometime after that, they stopped having naked detail concurred sometime in the enter after the international for the day in the second ture is a cell. While the matter into the cell by giving thim a push with his foot. It was not real how as were and the international for the day in the day as a were of the international for the day in the day as a were of the international for the day in the day astand the day as a stall by the day and the day astan	فلاستسجيم البليا لا	ing done He made mings	happened. It wasn't until		adar.
Configed to the All user the a built of Add controlled access to the wing They had the keys and would let people in all odd. I for the add to the Add control was shored when I concerd that the detainees in Wing I were naked. There was on I was shored when I control that the detainees in Wing I were naked to the previous configanty commutator and he caused that was a common practice by MI. I did were shored when I control that the detainees in Wing I were naked to the previous configanty commutator and her that the detainees in Wing I were naked by MI. I did were have the WI. I was a common practice by MI. I did were have do the wing in the MI folks to any MI P organization Agencies (OGA) so I just figured they knew what are proceedures were and that this was an acceptable private a sound have to keed into it. Both States the were and that the MI folks the more double and the were add that were acceptable were assored to the day. They saw what I saw, I never did question this to any MI P risks were as all hours not just during one part of the day. They saw what they stopped having naked detain the second time. Sometime after that they stopped having naked detain were to were saw or had to worked or of any detainee abuse by MI personnel except for one occurred sometime in December. I never saw or had to worked or for gins used was a first the stopped having naked detain the stopped having naked detain the stopped having naked detainees in the of the interrogators. The only time I heard of dogs used was after the shooting. I never saw or had to worked of the day were show the were saw or had the abuse hy MI personnel that I was aware of the theore acceptable or viceos before the investigation began. The only time I heard of dogs used was after the shooting. I never saw or had the were saw or had the worked withes a sole and the were saw or had the abuse hy MI person. The have no knowledge of the datanees could have being and have. We call the prison of the CPA. They was a big issue with sto to vice stopped having					
of my visits with a president of that and my problem in the first field me that the MI fokes told him that was and some folks from and the day. They saw whall saw is precedures were and that this was an acceptable privity were at all hours not just figured they knew what their procedures were and that this was an acceptable privity were at all hours not just during one part of the day. They saw whall saw is precident were for for the MI Rules, detainees, and ghost detainees. It was very frustrating. Things got a little better after the international eventues during naked detainees and whost detainees. It was very frustrating. Things got a little better after the international excurred sometime in December. I never saw or had towiedge of any detainee abuse by MI personnel excurt discust the mole interrogators for the treat of the yaving him a push with his foot. It wasn't real hard. I getting him into the cell in the private the treat to the treat by giving him a push with his foot. It wasn't real hard. I getting him into the cell in the private during the case of the giving their interrogations. We used to get morar attacks a few times a week. That was a big issue with sus along dogs during their interrogations. We used to get morar attacks a few times a week. That was a big issue with a private hier down and weekly write and on the stome for the case. The was a more the day in the cell. The vers aw other abuse the weak to be private the dot due the detainees could hide behind them. We also requested bunkers to be placed in the holding area but was a forme the dot in the trans upply person and the the stome. There were had weekly were as for the grave printe	gave				
Winnen's underness — Louisitioned that and a state product and be traded that was a common naractice by MI. 1 did the was something wrong, bur't would go to Wing 1 with MI folks a state of the was and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures were and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures were and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures were and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures were and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures were and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures were and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures were and that the was an acceptable programization Agencies (OGA) so 1 just figured hey knew what bert proceedures without nametags; there were for the received them. There was some confusion as to who was who. We had the without nametags; there were for output whether, detained a bus the proceedure and the stone of the interrogators of the received of any detainee abuse by MI personnel except for one occurred sometime in Decretor the prosoned the prosoned find the due was after the shooting. There was no other abuse by MI personnel that I was a ware of. I have no knowledge of bur and told hum to sup that. There was no other abuse by MI personnel at all was a acceptable provides because noting was really being done. It caused a big moral issue. We recommended placing sandbages around the but were told the detainees could hide behind them. We also requested lumkers to be placed in the holding area but was open and except with sits and corresponded through erapit with and focuses while I was forcer was the construction and possible com	A most tricite SUITER	I was shocked	i when I policed that the de	stainces in Wing 1 we	hat was an MI procedure.
