9. _____ WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I was mobilized with the original member of the 325th MI BN. We mobilized at Fort Dix and were there for about a month and a half. We then deployed to Kuwait. While in Kuwait, I was working in the V Corps ACE as part of the 205th MI BDE. We crossed the Berm sometime in March. Once the Analytical Control Element was reestablished in Baghdad, I was selected to be a member of the Deployable Intelligence Support Element. We would deploy and support the 41D and the 3ACR intelligence sections (S-2s). We rotated back and forth from 41D and 3ACR until sometime at the end of July when I deployed to Abu Ghraib as part of the 325th. I began to work with the 302nd MI BN as a liaison between the Intelligence Control Element and the C2X. When I first arrived, _____ was in charge of interrogation operations. I was given the Interrogation Rules of Engagement; I signed them and I understood the general procedures for interrogations. I had already worked with the 519th in Afghanistan and Fort Bragg that I knew some of the personnel. I aided the members of 519th with interrogation _____ and myself were responsible for providing the number of detainees at Abu Ghraib and number of interrogations back to the C2X. Between July and September, I conducted no more than ten interrogations. My primary role was as an analyst, but on a few occasions I was given the opportunity to ask questions. I worked with _____ a couple of times, but I assisted several other interrogations. When I arrived, the Hard Site was barely being developed. Interrogations in the Hard Site began three weeks prior to my departure. I personally never conducted any interrogations in the Hard Site. All the interrogations I participated in were held in the tents. I never witnessed or was aware of any detainee abuse. I did walk through the Hard Site on some occasions while being shown the area. I never witnessed any detainees naked. They were all wearing their jumpsuits and civilian clothes. I never heard any discussion of the clothing of detainees. I never witnessed any unauthorized photos or videos of detainees being abuse or of detainees with the exception of the regular in-process photo for their dossier. Q. Is there anything you would like to add? A. No.
