			AVE THE FOLLOWING	G STATEMENT UNDER DATH:
arrived in Iraq, early August 2003, prentral Correctional Facility with Genm't recall sitting down with either Genvolved with the force protection aspetitery fire, things of that nature. More odjokowski had numerous conversate e October time frame, I did not see the eneral Sanchez was frustrated at the him to his satisfaction. However, in the lack of results concerning the entity of the same of the same in the lack of results concerning the entity of the same in the lack of results concerning the entity of the lack of the saying that he was the gook into it. In mid January I talked we charge. This happened just before perations because we didn't have the intelligence implications as far as intelligence implications as far as intelligence were conducting operations in the lack of the were conducting operations in the lack of the lack o	eneral Fast or General cot of the correctional ast of these discussions it on secondaring the secondary for the first sign of a cloudy picture as a whaterrogation and detained year, General Sanchester detained operations up, and I told General the General Ryder condition the incidents became a experts. We needed at inchez never spoke to a rrogations operations. The in a very hostile environment of meter rule, concern on sconcerning the release of the secondario of the release	Sanchez to distanciately, concern were with Generative of the farmstration that lole. The picture experations we talked to me of and asked, "I beening detained nown. I told Compose of the concerned. To wolume of detained the might each of detained of detained of detained of the detaine	cuss interrogations userating on the quick citity. As for General witnessed was not the configuration of the confi	reaction force and counter Myself and General al Sanchez being frustrated in until the January time frame emy was not being articulated frustration and not the sole etting and voiced his frustration ogether? The ervisor and therefore I would dithat I needed someone senious needed help with detainer ning Tteam; icy, nor did we discuss minute ission was extremely active, the dot by them was high, that being to was one of the highest in the content of the counter that from was concerned that maybe the sand General Sanchez discuss and several General Sanchez discus and General Sanchez
the "board issue" on a number of occursitated at the lack of progress with secoming too full and they needed the acility. Another problem was that we leased in their area of operations. So believe that there was more of a threat security for the troops and the detained inostility towards coalition forces it is every facility 100 percent of the time situation. One example was the extra Constant tactical attention was given given more battle space to better supplies that particular facility, (Baghdad of Do you have anything to add to this second control of the second control of the control of the second control	the situation.
