WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I arrived in Abu Ghurayb, Iraq on or about 10 October 2003 and stayed here for about two weeks. I was a member of a five-person Mobile Training Team (MTT) sent from the US Army Intelligence Center and School (USAICS). (351B) lead the MTT made up of [redacted] and myself. The MTT was prepared to train interrogators and analysts using material from the Program of Instructions (POI) of the 97E10 course, 97E30 course, the Department of Defense Strategic Debriefing Course (DSDC), and the Intelligence Support to Countering Terrorism (ISCT) course. My contribution to MTT was the 97E30 POI that I had prepared at the Military Intelligence NCO Academy at Fort Huachuca, AZ. All of the 97E30 POI was based primarily but not exclusively on FM 34-7-1 Counterintelligence and Human Intelligence Operations (Dated September 2002), FM 34-52 Intelligence Interrogation (Dated September 1992), and DIAM 58-12 The DoD HUMINT Management System (Dated June 1997). We also had access to a memorandum that talked about approach strategies outside of the ones mentioned in FM 34-7-1 (Like the use of military working dogs, sleep deprivation, etc). This memo was classified SECRET/Noform and the MTT referred to it as the "SECDEF Memo." I observed 10-15 interrogation sessions while at Abu Ghurayb and gave feedback to the individual interrogator. I conducted several hours of the training in a classroom environment pertaining to topics like cultural/religious awareness, approach strategies, questioning techniques, behavior symptom analysis, terrorist organizations, interpreter use, etc. The audience that the MTT trained was made up of military and civilian interrogators and analysts who were working in the Joint Interrogation and Debriefing Center (JIDC). The audience varied from day to day and from morning to afternoon as personnel in the JIDC were fully engaged in interrogation operations. The only thing out of ordinary was the lack of booth space for interrogations to a degree where interrogators had to use the foot of a stairwell, the shower facility, or even the jail cells in the hardsite to conduct interrogations. I did not witness any detainee abuse or humiliation while I was present at Abu Ghurayb. I did not see any dogs present during any of the interrogations while I was at Abu Ghurayb. I saw two male detainees (who had just arrived to the prison facility) naked while they came out of the shower and the MPs issued them their orange overalls which they put on. The MPs then took them to their cells and interrogators started to screen them to assess their cooperation and knowledgeability. I did, however, hear there was Criminal Investigations Division (CID) investigations going on but no one told me any of the details nor did I inquire about it. At one point, while the MTT was still at Abu Ghurayb, [redacted] the Interrogation Control Element (ICE) Officer In Charge (OIC) gathered all JIDC personnel in the ICE and asked everyone to read and sign a memorandum which was very similar to the CJTF-7 Interrogation and Counter-resistance Policy Memorandum For Record (MFR), effective 12 October 2003. Q: Do you have anything to add to this statement. A: NO. END OF STATEMENT
