- The men push the door open and all four begin to subdue [redacted]

00091

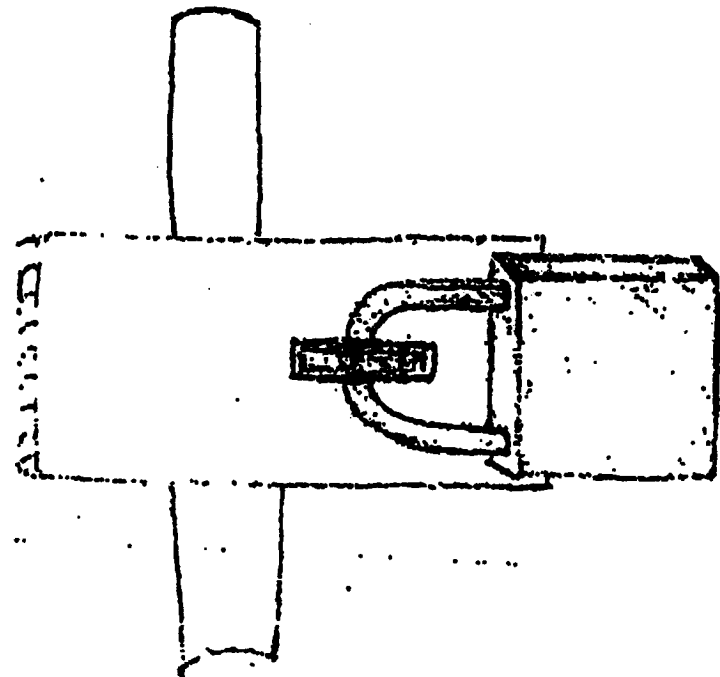

- [redacted] thumps his teeth into [redacted] arm and does not release until [redacted] twice strikes him in the head with his radio. These blows likely cause the lacerations to the back of [redacted] scalp.
- Others arrive and assist in subduing and shackling [redacted]
- Just as the shackling process is being completed, [redacted] becomes extremely agitated and begins yelling "you bit me! You bit me!". [redacted] strikes [redacted] and is immediately pulled away and assisted off the block.
- [redacted] is transported to medical.

**Conclusions:**

MRE packets in his cell eating them. when asked to give  
the packets to him the detainee replied I'm not done with

any more contraband. [redacted] then placed the three  
prong suit on the detainee then escorted [redacted] to [redacted] to do

of contraband (cigarettes, earplugs, letters, and peanut butter) while I was  
still progressing the cell search, to my best memory [redacted]  
came in the cell to help with the search. I was looking  
under the bunk when all of the sudden out of the corner  
of my eye, I saw [redacted] fly into the cell to look  
towards the door and I saw a detainee out side of the  
door trying to close the hatch. with out realizing it, all  
some of us was in the cell. I then pushed the door with  
all of my might (also had help) until I got my arm outside  
the door. I forced my way out at that time the DA  
punched me in my mouth knocking out my bridge work  
cutting my upper lip.

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

Upon returning from being called for a possible IRF on "N" block, I went to the shower and Rec area to help continue with shower and Rec. I took over the cuffing of the detainees. Detainees [redacted] and [redacted] were in the Rec yard, but returned shower, while in the Rec yard, Detainee [redacted] had been told twice by [redacted] not to practice martial arts while in the Rec yard. Detainees [redacted] and detainee [redacted] were both properly secured in a 3 piece suit before the Rec door was open. 3 piece suit was put on through the bean hole in the Rec door, and each detainee was moved one at a time. They were the last 2 detainees for shower & Rec. Being the shacklemaster, I was responsible of shackling and unshackling the detainees through the bean hole. I do not remember who assisted me in moving the detainees to the cell, they were responsible for locking the cell door. However, I would not of left them without knowing if the detainee was properly secured in their cell. Upon walking the block, we noticed several detainees had items in their cells that were not authorized for Level 4 detainees. We made some notes on each one, waiting to secure the items until all members of the block had returned from shower. [redacted] had the most contraband, therefore we decided to do him first we put him in a 3 piece suit through the bean hole, and secured him in an empty cell approx. 7-10 cells away. He was locked in the cell, still in his 3 piece suit. Upon entering [redacted] cell, [redacted] went in, [redacted] went in, and I went in. [redacted] was at the door way of the cell I immediately locked in the toilet and flushed it. I then bent down to be up under the bed when I noticed Detainee [redacted] push [redacted] into the cell from behind, and attempt to lock us in. [redacted]

causing it to swing open. The door swung to the left, causing them to almost fall out towards the right, which knocked Detainee [redacted] towards the left. I came out of the cell, Detainee [redacted] was standing there ready to fight. I charged him swinging as he did to me. At that time, [redacted] and [redacted] then charged the detainee [redacted] from the left. Detainee [redacted] was fighting us with a major vigilance. He was punching, kicking, biting. At this time, other detainees were yelling, we got [redacted] to the ground. He was still fighting, kicking and biting. Either [redacted] was reaching in for assistance, within about 10 minutes, a few escort teams came in with shackles and as they shackled the part of him we were holding, we were told to get back as they now had control. He fought the whole time. As we were walking off the block, about 60 ap's rushed in to help regain control of the block, making sure that all beam holes and locks were properly secured. ///

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: ON 10 APRIL 2003,

I received a distress call from Small Block. We were leaving Camp Delta after a completed escort. At the time, I did not know what the call was for, I just ran to Small Block. When I arrived, [redacted] was standing in front of the back of the block from his mouth, warning everyone onto the block. The detainee who I did not recognize at the time (I knew he was a detainee, but I didn't know his face at the time) was bleeding profusely and was pinned to the floor by [redacted]. I heard that [redacted] was [redacted]. I followed the detainee down. I followed the detainee down to restrain the detainee. After the detainee was shackled, [redacted] began to scream obscenities at the detainee. [redacted] began to scream obscenities, and tried to remove [redacted] the block. I pushed [redacted] and wrapped my arms around [redacted] and carried him off the block. Someone (a [redacted]) looked the way to the block first round. I grabbed another set of shackles (restraints) from the block wearing the safety post down and entered the block. When I put it to the detainee, [redacted] was pinned to the floor. The detainee behind (still in his cell) began to yell to other blocks. I tapped his head hard to get his attention, told him to calm down, and gave him the thumbs up sign. I then secured the detainee legs (the [redacted]) and began to carry him off the back side of the block with help from other medical personnel. There to meet us along with [redacted] with a video camera and no body cap. The detainee was escorted to the medical building on a gurney, by myself, [redacted] others. We [redacted] (I) remained with the detainee while he was treated. We were released by [redacted] and [redacted]. No more than directed by [redacted]. NOTHING FOLLOWED.

At approx. 19:30 while sitting in chow tent I hear a frantic call for help of the radio. It took a second for me to figure out what was said. But I knew it was "Scara" block and something was wrong. My SSG [redacted] & I were up and running to the block instantly. When I arrived there was 10 to 15 MPs on the block. I went up the steps and down the tent and saw five MPs securing the detainee which was still strapping. I noticed that there was a good bit of blood on the tent floor so I called for medical. [redacted] was one of the MPs securing the detainee. [redacted] was upset and angry and was yelling and at the detainee. At which time MPs pulled him, and proceeded to take him out of the area to cool down. I then started clearing people out of the tent and medical, and behind them was an MP w/ a gas can I instructed them both to around the block to the back. I went back down the tent in the MPs securing the detainee were taking him out the back to medical. WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH

On 10 April 03 I was running the radio on "O" block I heard on the radio "We have a detainee out on Sierra block." I then went running to the canopy where [redacted] opened Oscar block to let me out so I could go to Sierra block. I ran up onto the block where [redacted] and other MPs had the Detainee already on the ground without handcuffs or leg irons on. I secured the right leg while [redacted] applied the leg restraints on. We then secured the Left and Right hands behind his back [redacted] then asked me and whoever was on the right leg to bring the legs up to secure them to the handcuffs. The detainee kept to kick, but then cooperated after being told to do so by the SGT 2, [redacted]. Once secured [redacted] began screaming and yelling @ the detainee "you hit me, you hit me" [redacted] then jumped onto the detainee and began hitting him. The MPs on the block pulled [redacted] off and out of the area. We then picked the detainee up and carried him outside then the back of the block. A stretcher was waiting there with [redacted] to attend to the bleeding detainee. We then rolled him out to the canopy where [redacted] took my place and escorted him to medical. ON 16 APRIL 2003 I was assigned out post duty from Dec. 2 when someone stepped out of an office across from 13.222nd Co. and I heard someone say "HELP, HELP, HELP we have a detainee out on 5-1300A". I left Dec. 2 and went to see if I could help. When I arrived I saw several soldiers in a group. I told the soldier asking me to help to bring the key and lock the block door. I waited until the door was secure and then turned and started towards the group of soldiers who were crouched down on the floor. I then saw a soldier make a subterfuge movement and then was pushed and being held by the cell block walls and then pushed down the floor. I met them and heard someone say "Get him off the block". I helped [redacted] off the block at that time. We got [redacted] into the yard and then [redacted] was yelling for the key to the sally port. I got the key and opened the sally port and then tried to get [redacted] to exit the block. He was in a cage and yelling get you- luns off me. I thought nothing of it because of the situation. [redacted] ordered [redacted] to leave the block. The Lt. then stayed a second time later the block is out. [redacted] started yelling, "Add what, and what" at the [redacted], myself and others were able to convince [redacted] then [redacted] was escorted to the N. and locked the sally port gate. I went to [redacted] to check on my [redacted]. I write this statement, I remember [redacted] speaking I don't recall what he said but what he looked like. I WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:
That approximately 1955 hrs on the twelfth day of April, year 2003, that I was working on "S" block when I heard the next block over yelling, and screaming. Then I heard on the radio yelling, "we need some fucking help, get the fuck over to "S" block." At that time I ran over to "S" block to see if I could help. I counted at least 15-25 MPs on the block already. I ran down the block where all the guys was, I saw a detainee on the ground with a MP's on top of him trying to secure him. I wanted to know what I could do to help so I took initiative and closed off both end doors. I didn't lock them cause I didn't have a key. After closing the front door off, I saw a MP grab another MP and resuscitation off the block for some reason I don't know. Then I went back down the block and met [redacted] he had blood covering his mouth I stopped him and asked him if he was alright, he said he was fine but I noticed he was missing a front tooth. After he walked off I went back to see if I could do any thing else. [redacted] instructed me to take down all cell block numbers that were yelling during the incident, they are as follows: [redacted]. They were chanting "Allah-Week-hitts." After I did that I stationed myself at the rear door (After the detainee was resuscitated off the block) and made sure no one came in or out of the rear door so as not to walk in blood. There was a puddle of blood on the floor in the middle of the door. I assume some of it was from [redacted]. After all had been clear and there was no more news for my presence, I asked [redacted] to get one of his soldiers to release me so I could return to my block at that time [redacted] took my place.
