Not bad - comm can be a problem

39. Are you aware of any incidences of detainee or other abuse in your unit?

NO

ADVISEMENT OF RIGHTS (For military personnel)

The text of Article 31 provides as follows a. No person subject to this chapter may compel any person to incriminate himself or to answer any questions the answer to which may tend to incriminate him. b. No person subject to this chapter may interrogate or request any statement from an accused or a person suspected of an offense without first informing him of the nature of

1762

DA IG

the accusation and advising him that he does not have to make any statement regarding the offense of which he is accused or suspected, and that any statement made by him may be used as evidence against him in a trial by court-martial. c. No person subject to this chapter may compel any person to make a statement or produce evidence before any military tribunal if the statement or evidence is not material to the issue and may tend to degrade him. d. No statement obtained from any person in violation of this article, or through the use of coercion, unlawful influence, or unlawful inducement, may be received in evidence against him in a trial by court-martial. (1.2, 1.6)

I am _____ (grade, if any, and name), a member of the (DAIG). I am part of a team inspecting detainee operations, this is not a criminal investigation. I am reading you your rights because of a statement you made causes me to suspect that you may have committed _____. (specify offense, i.e. aggravated assault, assault, murder). Under Article 31, you have the right to remain silent, that is, say nothing at all. Any statement you make, oral or written, may be used as evidence against you in a trial by courts-martial or in other judicial or administrative proceedings. You have the right to consult a lawyer and to have a lawyer present during this interview. You have the right to military legal counsel free of charge. In addition to military counsel, you are entitled to civilian counsel of your own choosing, at your own expense. You may request a lawyer at any time during this interview. If you decide to answer questions, you may stop the questioning at any time. Do you understand your rights? Do you want a lawyer? (If the answer is yes, cease all questions at this point). Are you willing to answer questions?

40. Describe what you understand happened leading up to and during the incident(s) of abuse. (No applicable standard) _____

41. Describe Soldier morale, feelings and emotional state prior to and after these incidents? (Identifies unit and Soldier morale, atmosphere, mood, attitude, stress, retaliation, preemption, family crisis) _____

42. Was this incident reported to the chain of command? How, when & what was done? What would you have done? (Identifies compliance, procedure, timeliness, Soldier perception of action taken and effect on unit morale.) (1.2, 1.6) _____

43. How could the incident have been prevented? (Identifies root cause and perceived solution) (No applicable standard)

44. Describe any unit training or other programs that you are aware of that teach leaders and Soldiers how to recognize and resolve combat stress.

See AFN Comm, NO.

45. What measures are in place to boost morale or to relieve stress? (Identifies perceived solution.) *AFN, pay room to work by, sports interest, more interest group*

46. What measures could the command enact to improve the morale and command climate of your unit? (Identifies perceived solution.)

Being worked FOO money for moral items
