2. (ALL) Did you and all of your Soldiers undergo Law of War training prior to deployment? Explain what training occurred. Did this training include the treatment of Detainees? Is there a plan to train new Soldiers (replacements) to the unit? Explain. (1.1, 1.2, 1.4, 4.1) (AR 350-1 para 4-14c.(2) and table G-1 Refresher training, dated 9 April 2003), Level B training is conducted in units for officers, warrant officers, NCOs and enlisted personnel commensurate with the missions of the unit. AR 190-8 para 1-5(4)(C DOD Directive 5100.77), All prisoners will receive humane treatment and that the following acts are prohibited murder, torture, corporal punishment, mutilation, taking of hostages, sensory deprivation, collective punishments, execution without trial by proper authority, and all cruel and degrading treatment. Prisoners will be protected against all acts of violence to include public curiosity. (DoD Directive 5100.77, para 5.5.1, The Secretaries of the Military Departments shall provide directives, publications, instructions, and training so that the principles and rules of law of war will be known to members of their respective Departments, the extent of such knowledge to be commensurate with each individual's duties and responsibilities.) PART OF COM (ANDROCE YES WHERE) WARRED WAR

3. (ALL) What Home Station/Mob Site Training did your unit conduct prior to deployment to help your unit prepare for Detainee Operations? Describe it. How did the training prepare you to conduct Detainee Operations for this deployment? How did this training distinguish between the different categories of Detainees (EPWs, RPs, Cls, etc.)? (1.1, 1.2, 1.3, 1.4, 4.1) (DoDD 2310.1 (The U.S. Military Services shall be given the necessary training to ensure they have knowledge of their obligations under the Geneva Conventions (references (b) through (e)) and as required by DoD Directive 5100.77 (reference (f)) before an assignment to a foreign area where capture or detention of enemy personnel is possible.) AR 350-1 para 4-14 c (2) and table G-1 Refresher training, dated 9 April 2003), Level B training is conducted in units for officers, warrant officers, NCOs and enlisted personnel commensurate with the missions of the unit. AR 190-8 para 1-5 (4) (C), DOD Directive

of foot, motor vehicle, or aircraft (other than AIREVAC or U.S. Marshals Service aircraft) are as follows: (a) Trained correctional, military police or security personnel: Under maximum custody circumstances, there will be one guard per restrained prisoner and two unarmed guards or one armed guard per unrestrained prisoner. Under medium custody circumstances, there will be one guard per five prisoners. In minimum custody circumstances there will be one guard per ten prisoners. Trustee guards will be determined by the ACS facility commander. (b) Noncorrectional personnel: It is required that at least one guard be a SGT or above who is equal or senior to prisoners in a pretrial status. Under maximum custody circumstances, prisoners will have two guards per prisoner. In medium custody circumstances, prisoners will have one guard per two prisoners, and in minimum custody circumstances there will be one guard per five OPERSONNEL , VEHICLES 18. (ALL) What medical personnel are available to support DO? (1.1, 1.2, 1.3, 2.1, 3.1, 4.1) AR 190-8, paragraph 1-4g(6) a-e, (Commanders will identify the requirements and allocations for Army Medical units ISO the EPW, CI and RP program, and ensure that the medical annex of OPLANS, OPORDs and contingency plans include procedures for treatment of Detainees; Medical support will specifically include: First aid and all sanitary aspects of food service including provisions for potable water, pest management, and entomological support, preventive medicine, professional medical services and medical supply; reviewing, recommending, and coordinating the use and assignment of medically trained EPW, CI, RP, and OD personnel and medical material; establishing policy for medical repatriation of EPW, CI, and RP and monitoring the actions of the mixed Medical commission.) PLI MEDIC, AND A CO SR MEDIC.

19.(ALL) What procedures are in place when a detainee in U S custody dies? (1.1, 1.2, 4.1) AR 190-8, paragraph 3-3a (20): Report allegations of criminal acts or war crimes committed by or against EPW/RP to the supporting element of the U.S. Army Criminal Investigation Command (USACIDC). Deaths resulting from other than natural causes will be investigated by USACIDC. Para 3-10 c: When an EPW or RP in US custody dies, the attending medical officer furnish the camp (or hospital) commander or other officer charged with their custody before death, the following information: (1) Full name of deceased. (2) ISN of deceased. (3) Date, place, and cause of death. (4) Statement that death was, or was not, the result of the deceased's own misconduct. (5) When the cause of death is undetermined, the attending medical officer will make a statement to that effect. When the cause of death is finally determined, a supplemental report will be made as soon as possible. e. The attending medical officer and the appropriate camp commander will complete a DA Form 2669-R (Certificate of Death). DA Form 2669-R will be reproduced locally on 8 1/2 by 11-inch paper. The form is located at the back of this regulation. This form is for the use of Army only. Enough copies of form will be made out to provide distribution as follows: (1) Original-information center. (2) Copy-information center (branch), if necessary. (3) Copy-The Surgeon General. (4) Copy-EPW or RP personal file. (5) The proper civil authorities responsible for recording deaths in the particular state if the EPW dies in the United States.

33. Describe your working environment and living conditions since being in
Theater. (Identify physical and psychological impact on Soldier's attitude). (1.2, 1.3, 1.4, 1.5, 1.6, 1.7) FM 10-1, Ch. 7, para. 3, "Tactical Vision. A primary QMC focus at the tactical level will continue to be on sustainment of the soldier. Each company-sized unit will have two cooks and a small, state-of-the-art field kitchen. This provides a limited capability to prepare or heat meals and supplements. An improved containerized capability for providing responsive laundry and shower support well forward on the battlefield must be developed. Frontline soldiers require brief respites from the rigors associated with combat. A facility complex (Force Provider) will be available in which they can shower, clean their clothes, eat hot meals, and rest in an environmentally controlled shelter.
NO ELECTRICITY, USED SMAZZ GENERALION PACKS.
34. Describe the unit command climate and Soldier morale. Has it changed or evolved since you have been in Theater? (Identifies Soldier's perception of the chain of command and Soldier attitude. Does the Soldier feel supported? Do Soldiers feel the Command cares? Are they getting clear guidance?) 1 AR 600–20 • 13 May 2002 1–5. Command, b. Elements of command. c. The commander is responsible for establishing leadership climate of the unit and developing disciplined and cohesive units. This sets the parameters within which command will be exercised and, therefore, sets the tone for social and duty relationships within the command. (1) Commanders and other leaders committed to the professional Army ethic promote a positive environment. If leaders show loyalty to their soldiers, the Army, and the Nation, they earn the loyalty of their soldiers. If leaders consider their soldiers' needs and care for their well-being, and if they demonstrate genuine concern, these leaders build a positive command climate. (2) Duty is obselved and distribute the soldier of the soldiers and distribute the soldiers.
a positive command climate. (2) Duty is obedient and disciplined performance. Soldiers with a sense of duty accomplish tasks given them, seize opportunities for self-improvement, and accept responsibility from their superiors. Soldiers, leader and led alike, work together to accomplish the mission rather than feed their self-interest. MARALE VERY LOW - TOOK EVERYTHING TO KEEP SILITERS FOCHS - CMI CLIMATE WAS OR - BUT JIONT TRUST THEM

35. Are you aware of any incidences of detainee or other abuse in your unit? AR 190-8, 1-5. General protection policy a. U.S. policy, relative to the treatment of EPW, CI and RP in the custody of the U.S. Armed Forces, is as follows: (1) All persons captured, detained, interned, or otherwise held in U.S. Armed Forces custody during the course of conflict will be given humanitarian care and treatment from the moment they fall into the hands of U.S. forces until final release or repatriation. (2) All persons taken into custody by U.S. forces will be provided with the protections of the GPW until some other legal status is determined by competent authority. (3) The punishment of EPW, CI and RP known to have, or suspected of having, committed serious offenses will be administered IAW due process of law and under legally constituted authority per the GPW, GC, the Uniform Code of Military Justice and the Manual for Courts Martial. (4) The inhumane treatment of EPW, CI, RP is prohibited and is not justified by the stress of combat or with deep provocation. Inhumane treatment is a serious and punishable violation under international law and the Uniform Code of Military Justice (UCMJ). b. All prisoners will receive humane treatment without regard to race, nationality, religion, political opinion, sex, or other criteria. The following acts are prohibited: murder, torture, corporal punishment, mutilation, the taking of hostages, sensory deprivation, collective punishments, execution without trial by proper authority, and all cruel and degrading treatment. c. All persons will be respected as human beings. They will be protected against all acts of violence to include rape, forced prostitution, assault and theft, insults, public curiosity, bodily injury, and reprisals of any kind. They will not be subjected to medical or scientific experiments. This list is not exclusive. EPW/RP are to be protected from all threats or acts of violence. d. Photographing, filming, and video taping of individual EPW, CI and RP for other than internal Internment Facility administration or intelligence/counterintelligence purposes is strictly prohibited. No group, wide area or aerial photographs of EPW, CI and RP or facilities will be taken unless approved by the senior Military Police officer in the Internment Facility commander's chain of command. e. A neutral state or an international humanitarian organization, such as the ICRC, may be designated by the U.S. Government as a Protecting Power (PP) to monitor whether protected persons are receiving humane treatment as required by the Geneva Conventions. The text of the Geneva Convention, its annexes, and any special agreements, will be posted in each camp in the language of the EPW Cl and PR

ADVISEMENT OF RIGHTS (For military personnel)

The text of Article 31 provides as follows a. No person subject to this chapter may compel any person to incriminate himself or to answer any questions the answer to which may tend to incriminate him. b. No person subject to this chapter may interrogate or request any statement from an accused or a person suspected of an offense without first informing him of the nature of the accusation and advising him that he does not have to make any statement regarding the offense of which he is accused or suspected, and that any statement made by him may be used as evidence against him in a trial by court-martial. c. No person subject to this chapter may compel any person to make a statement or produce evidence before any military tribunal if the statement or evidence is not material to the issue and may tend to degrade him. d. No statement obtained from any person in violation of this article, or through the use of coercion, unlawful influence, or unlawful inducement, may be received in evidence against him in a trial by court-martial. (1.2, 1.6)

lam(grade, if any, and name), a member of the (DAIG). I am part of a team inspecting detainee operations, this is not a criminal investigation, am reading you your rights because of a statement you made causes me to suspect that you may have committed (specify offense, i.e. aggravated assault, assault, murder). Under Article 31, you have the right to remain silent, that is, say nothing at all. Any statement you make, oral or written, may be used as evidence against you in a trial by courts-martial or in other judicial or administrative proceedings. You have the right to consult a lawyer and to have a lawyer present during this interview. You have the right to military legal counsel free of charge. In addition to military counsel, you are entitled to civilian counsel of your own choosing, at your own expense. You may request a lawyer at any time during this interview. If you decide to answer questions, you may stop the questioning at any time. Do you understand your rights? Do you want a lawyer? (If the answer is yes, cease all questions at this point). Are you willing to answer questions?
36. Describe what you understand happened leading up to and during the incident(s) of abuse. (No applicable standard)
37. Describe Soldier morale, feelings and emotional state prior to and after these incidents? (Identifies unit and Soldier morale, atmosphere, mood, attitude, stress, retaliation, preemption, family crisis)
38. Was this incident reported to the chain of command? How, when & what was done? What would you have done? (Identifies compliance, procedure, timeliness, Soldier perception of action taken and effect on unit morale.) (1.2, 1.6) (AR 190-40, Appendix B, Category 1 Reportable Serious Incidents, B–1. Actual or alleged incidents involving the following: b. War crimes, including mistreatment of enemy prisoners of war, violations of the Geneva Conventions, and atrocities. B–2. Any other incident the commander determines to be of immediate concern to HQDA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-40, Appendix C Category 2, Reportable Serious Incidents, C–1. Actual or alleged incidents involving the following: g. Incidents involving prisoners or detainees of Army confinement or correctional facilities to include escape from confinement or custody, disturbances which require the use of force, wounding or serious injury to a prisoner, and all prisoner deaths. C–2. Any other incident that the commander determines to be of concern to HQDA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-8, 5–1. General protection policy—civilian internee, a. Treatment. (1) No form of physical torture or moral coercion will be exercised against the CI. This provision does not

responsibility is weak, it is the responsibility of the other members of the chain to strengthen it. FM 8-51, para 1-1, b. Responsibility For Stress Control. Control of stress is the commander's responsibility (see FM 22-51) at all echelons. The commander is aided in this responsibility by the noncommissioned officer (NCO) chain of support; the chaplaincy; unit medical personnel; general, principal, and special staff, and by specialized Army CSC units and mental health	constitute a prohibition against the use of minimum force necessary to effect compliance with measures authorized or directed by these regulations. (2) In all circumstances, the CI will be treated with respect for their person, their honor, their family rights, their religious convictions and practices, and their manners and customs. At all times the CI will be humanely treated and protected against all acts of violence or threats and insults and public curiosity. In all official cases they will be entitled to a fair and regular trial as prescribed by this regulation. (3) The CI will be especially protected against all acts of violence, insults, public curiosity, bodily injury, reprisals of any kind, sexual attack such as rape, forced prostitution, or any form of indecent assault. (4) The CI will be treated with the same consideration and with-out adverse distinction based on race, religion, political opinion, sex, or age. AR 190-8, para 6-9, e. Any act or allegation of inhumane treatment or other violations of this regulation will be reported to HQDA (DAMO-ODL), WASH DC 20310-0400 as a Serious Incident Report. Reporting instructions in AR 190-40 will be used.)
39. Describe any unit training or other programs that you are aware of that teach leaders and Soldiers how to recognize and resolve combat stress. FM 22-51, para 11-5. Prevention of Misconduct Stress Behaviors. The measures which reduce battle fatigue and prevent battle fatigue casualties should also help reduce the incidence of misconduct stress behaviors. However, additional actions also need to be practiced consistently by leadership at all echelons and by buddies at the small unit level. FM 22-51, para 1-3, Stress control requires special involvement from direct (small unit) leaders. The responsibility extends up through the organizational leaders and their staffs (both officers and noncommissioned officers [NCOs]) at all echelons. Appendix A describes combat stress risk factors and prescribes leaders' actions to control them. Leaders, staffs, and individual soldiers all receive assistance from the supporting
