11.(ALL) How do you maintain good morale and discipline with Soldiers and leaders to enhance the security of the unit collection point? (1.1, 1.2, 1.6) (AR 600-20 para 4–1, Military discipline a. Military discipline is founded upon self-discipline, respect for properly constituted authority, and the embracing of the professional Army ethic with its supporting individual values. Military discipline will be developed by individual and group training to create a mental attitude resulting in proper conduct and prompt obedience to lawful military authority. b. While military discipline is the result of effective training, it is affected by every feature of military life. It is manifested in individuals and units by cohesion, bonding, and a spirit of teamwork; by smartness of appearance and action; by cleanliness and maintenance of dress,

equipment, and quarters; by deference to seniors and mutual respect between senior and subordinate personnel; by the prompt and willing execution of both the letter and the spirit of the legal orders of their lawful commanders; and by fairness, justice, and equity for all soldiers, regardless of race, religion, color, gender, and national origin. c. Commanders and other leaders will maintain discipline according to the policies of this chapter, applicable laws and regulations, and the orders of seniors.)

35. Are you aware of any incidences of detainee or other abuse in your unit? AR 190-8, 1-5. General protection policy a. U.S. policy, relative to the treatment of EPW, CI and RP in the custody of the U.S. Armed Forces, is as follows: (1) All persons captured, detained, interned, or otherwise held in U.S. Armed Forces custody during the course of conflict will be given humanitarian care and treatment from the moment they fall into the hands of U.S. forces until final release or repatriation. (2) All persons taken into custody by U.S. forces will be provided with the protections of the GPW until some other legal status is determined by competent authority. (3) The punishment of EPW, CI and RP known to have, or suspected of having, committed serious offenses will be administered IAW due process of law and under legally constituted authority per the GPW, GC, the Uniform Code of Military Justice and the Manual for Courts Martial. (4) The inhumane treatment of EPW, CI, RP is prohibited and is not justified by the stress of combat or with deep provocation. Inhumane treatment is a serious and punishable violation under international law and the Uniform Code of Military Justice (UCMJ). b. All prisoners will receive humane treatment without regard to race, nationality, religion, political opinion, sex, or other criteria. The following acts are prohibited: murder, torture, corporal punishment, mutilation, the taking of hostages, sensory deprivation, collective punishments, execution without trial by proper authority, and all cruel and degrading treatment. c. All persons will be respected as human beings. They will be protected against all acts of violence to include rape, forced prostitution, assault and theft, insults, public curiosity, bodily injury, and reprisals of any kind. They will not be subjected to medical or scientific experiments. This list is not exclusive. EPW/RP are to be protected from all threats or acts of violence. d. Photographing, filming, and video taping of individual EPW, CI and RP for other than internal Interment Facility administration or intelligence/counterintelligence purposes is strictly prohibited. No group, wide area or aerial photographs of EPW, CI and RP or facilities will be taken unless approved by the senior Military Police officer in the Internment Facility commander's chain of command. e. A neutral state or an international humanitarian organization, such as the ICRC, may be designated by the U.S. Government as a Protecting Power (PP) to monitor whether protected persons are receiving humane treatment as required by the Geneva Conventions. The text of the Geneva Convention, its annexes, and any special agreements, will be posted in each camp in the language of the EPW, CI and RP.

**ADVISEMENT OF RIGHTS (For military personnel)** 

The text of Article 31 provides as follows a. No person subject to this chapter may compel any person to incriminate himself or to answer any questions the answer to which may tend to incriminate him. b. No person subject to this chapter may interrogate or request any statement from an accused or a person suspected of an offense without first informing him of the nature of the accusation and advising him that he does not have to make any statement regarding the offense of which he is accused or suspected, and that any statement made by him may be used as evidence against him in a trial by court-martial. c. No person subject to this chapter may compel any person to make a statement or produce evidence before any military tribunal if the statement or evidence is not material to the issue and may tend to degrade him. d. No statement obtained from any person in violation of this article, or through the use of coercion, unlawful influence, or unlawful inducement, may be received in evidence against him in a trial by court-martial. (1.2, 1.6)

TAILS

I am(grade, if any, and name), a member of the (DAIG). I am part of a team inspecting detainee operations, this is not a criminal investigation. I am reading you your rights because of a statement you made causes me to suspect that you may have committed (specify offense, i.e. aggravated assault, assault, murder). Under Article 31, you have the right to remain silent, that is, say nothing at all. Any statement you make, oral or written, may be used as evidence against you in a trial by courts-martial or in other judicial or administrative proceedings. You have the right to consult a lawyer and to have a lawyer present during this interview. You have the right to military legal counsel free of charge. In addition to military counsel, you are entitled to civilian counsel of your own choosing, at your own expense. You may request a lawyer at any time during this interview. If you decide to answer questions, you may stop the questioning at any time. Do you understand your rights? Do you want a lawyer? (If the answer is yes, cease all questions at this point). Are you willing to answer questions?
36. Describe what you understand happened leading up to and during the incident(s) of abuse. (No applicable standard)
37. Describe Soldier morale, feelings and emotional state prior to and after these incidents? (Identifies unit and Soldier morale, atmosphere, mood, attitude, stress, retaliation, preemption, family crisis)
38. Was this incident reported to the chain of command? How, when & what was done? What would you have done? (Identifies compliance, procedure, timeliness, Soldier perception of action taken and effect on unit morale.) (1.2, 1.6) (AR 190-40, Appendix B, Category 1 Reportable Serious Incidents, B–1. Actual or alleged incidents involving the following: b. War crimes, including mistreatment of enemy prisoners of war, violations of the Geneva Conventions, and atrocities. B–2. Any other incident the commander determines to be of immediate concern to HQDA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-40, Appendix C Category 2, Reportable Serious Incidents, C–1. Actual or alleged incidents involving the following: g. Incidents involving prisoners or detainees of Army confinement or correctional facilities to include escape from confinement or custody, disturbances which require the use of force, wounding or serious injury to a prisoner, and all prisoner deaths. C–2. Any other incident that the commander determines to be of concern to HQDA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-8, 5–1. General protection policy—civilian internee, a. Treatment. (1) No form of physical torture or moral coercion will be exercised against the CI. This provision does not

constitute a prohibition against the use of minimum force necessary to effect compliance with measures authorized or directed by these regulations. (2) In all circumstances, the CI will be treated with respect for their person, their honor, their family rights, their religious convictions an practices, and their manners and customs. At all times the CI will be humanely treated and protected against all acts of violence or threats and insults and public curiosity. In all official case they will be entitled to a fair and regular trial as prescribed by this regulation. (3) The CI will be especially protected against all acts of violence, insults, public curiosity, bodily injury, reprisals o any kind, sexual attack such as rape, forced prostitution, or any form of indecent assault. (4) Th CI will be treated with the same consideration and with-out adverse distinction based on race, religion, political opinion, sex, or age. AR 190-8, para 6-9, e. Any act or allegation of inhumane treatment or other violations of this regulation will be reported to HQDA (DAMO-ODL), WASH Do 20310-0400 as a Serious Incident Report. Reporting instructions in AR 190-40 will be used.)
How could the incident have been prevented? (Identifies root cause and perceived solution) (No applicable standard)
39. Describe any unit training or other programs that you are aware of that teach leaders and Soldiers how to recognize and resolve combat stress. FM 22-51, para 11-5. Prevention of Misconduct Stress Behaviors. The measures which reduce battle fatigue and prevent battle fatigue casualties should also help reduce the incidence of misconduct stress behaviors. However, additional actions also need to be practiced consistently by leadership at all echelons and by buddles at the small unit level. FM 22-51, para 1-3, Stress control requires special involvement from direct (small unit) leaders. The responsibility extends up through the organizational leaders and their staffs (both officers and noncommissioned officers [NCOs]) at all echelons. Appendix A describes combat stress risk factors and prescribes leaders' actions to control them. Leaders, staffs, and individual soldiers all receive assistance from the supporting chaplains, the medical personnel, and combat stress control/mental health personnel (see Appendix B for information pertaining to combat stress control units). If any link in the chain of responsibility is weak, it is the responsibility of the other members of the chain to strengthen it. FM 8-51, para 1-1, b. Responsibility For Stress Control. Control of stress is the commander's responsibility (see FM 22-51) at all echelons. The commander is aided in this responsibility by the noncommissioned officer (NCO) chain of support; the chaplaincy; unit medical personnel; general, principal, and special staff, and by specialized Army CSC units and mental health personnel.)  CHAPLEIN SMACENY FA. BALERED ANGLERY ANGLERY.

40. What measures are in place to boost morale or to relieve stress? (Identifies perceived solution.) FM 22-51, para 11-5. Prevention of Misconduct Stress Behaviors. The measures which reduce battle fatigue and prevent battle fatigue casualties should also help reduce the incidence of misconduct stress behaviors. However, additional actions also need to be practiced consistently by leadership at all echelons and by buddies at the small unit level. FM 251, para 1-3, Stress control requires special involvement from direct (small unit) leaders. The responsibility extends up through the organizational leaders and their staffs (both officers and noncommissioned officers [NCOs]) at all echelons. Appendix A describes combat stress risk factors and prescribes leaders' actions to control them. Leaders, staffs, and individual soldiers areceive assistance from the supporting chaplains, the medical personnel, and combat stress control/mental health personnel (see Appendix B for information pertaining to combat stress control units). If any link in the chain of responsibility is weak, it is the responsibility of the other members of the chain to strengthen it. FM 8-51, para 1-1, b. Responsibility For Stress Control. Control of stress is the commander's responsibility (see FM 22-51) at all echelons. The commander is aided in this responsibility by the noncommissioned officer (NCO) chain of suppor the chaplaincy; unit medical personnel; general, principal, and special staff, and by specialized Army CSC units and mental health personnel.
41. What measures could the command enact to improve the morale and command climate of your unit? (Identifies perceived solution.) FM.22-103, Leadership and Command at Senior Levels, 21 Jun 1987, p. 6, - "Leadership. The process of influencing others to accomplish the mission by providing purpose, direction, and motivation." AR 600-100, Army Leadership, 17 Sep 1993, p. 8, 1987- "Senior-level leadership is the art of direct and indirect influence and the skill of creating the conditions for sustained organizational success to achieve the desired result. But, above all, it is the art of taking a vision of what must be done, communicating it in a way that the intent is clearly understood, and then being tough enough to ensure its execution."  **NUTH: NOT NOT NOT MORE BUT AND
