1. What regulations, directives, policies, are you aware of that deal with detainee
operations? (1.1, 1.2, 1.4, 1.6, 4.1) AR 350-1 para 4-14c.(2) and table G-1 Refresher
training, dated 9 April 2003), Level B training, AR 190-8, paragraph 1-1, This regulation provides
policy, procedures, and responsibilities for the administration, treatment, employment, and compensation of enemy prisoners of war (EPW), retained personnel (RP), U.S. Armed Forces. This
regulation also establishes procedures for transfer of custody from the United States to another
detaining power. b. This regulation implements international law, both customary and codified,
relating to EPW, RP, CI, and ODs which includes those persons held during military operations other
than war. The principal treaties relevant to this regulation are: (1) The 1949 Geneva Convention Relative to the Amelioration of the Condition of the Wounded and Sick in Armed Forces in the Field
(GWS). (2) The 1949 Geneva Convention for the Amelioration of the Condition of Wounded, Sick and
Shipwrecked Members of Armed Forces at Sea (GWS SEA). 3) The 1949 Geneva Convention
Relative to the Treatment of Prisoners of War (GPW). The 1949 Geneva Convention Relative to the Protection of Civilian Persons in Time of War (GC), and In the event of conflicts or discrepancies
between this regulation and the Geneva Conventions, the provisions of the Geneva Conventions take
precedence.
NB NB
2. Did you and all of your Soldiers undergo Law of War/Geneva Convention training
prior to deployment? Explain what training occurred. Did this training include the
treatment of Detainees? What is your plan to train new Soldiers (replacements) to
the unit? Explain. (1.1, 1.2, 1.4, 4.1) (AR 350-1 para 4-14c.(2) and table G-1 Refresher
training, dated 9 April 2003), Level B training is conducted in units for officers, warrant officers, NCOs
and enlisted personnel commensurate with the missions of the unit. AR 190-8 para 1-5(4)(C DOD
Directive 5100,77), All prisoners will receive humane treatment and that the following acts are
prohibited murder, torture, corporal punishment, mutilation, taking of hostages, sensory deprivation, collective punishments, execution without trial by proper authority, and all cruel and degrading
treatment. Prisoners will be protected against all acts of violence to include public curiosity. (DoD
Directive 5100.77, para 5.5.1, The Secretaries of the Military Departments shall provide directives,
publications, instructions, and training so that the principles and rules of law of war will be known to

each individual's duties and responsibilities.)

27. Do you feel you can freely report an incident of alleged Detainee abuse outside Command channels (IG, CID) (1.1, 1.2, 1.6, 4.1) (AR 190-40, Appendix B, Category 1 Reportable Serious Incidents, B–1. Actual or alleged incidents involving the following: *b.* War crimes, including mistreatment of enemy prisoners of war, violations of the Geneva Conventions, and atrocities. B–2. Any other incident the commander determines to be of immediate concern to HQDA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-40, Appendix C. Category 2, Reportable Serious Incidents, C–1. Actual or alleged incidents involving the following: *g.* Incidents involving prisoners or detainees of Army confinement or correctional facilities to include escape from confinement or custody, disturbances which require the use of force, wounding or serious injury to a prisoner, and all prisoner deaths. C–2. Any other incident that the commander determines to be of concern to HQDA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-8, 5–1. General protection policy—civilian internee, a. Treatment. (1) No form of physical torture or moral coercion will

be exercised against the CI. This provision does not constitute a prohibition against the use of minimum force necessary to effect compliance with measures authorized or directed by these regulations. (2) In all circumstances, the CI will be treated with respect for their person, their honor, their family rights, their religious convictions and practices, and their manners and customs. At all times the CI will be humanely treated and protected against all acts of violence or threats and insults and public curiosity. In all official cases they will be entitled to a fair and regular trial as prescribed by this regulation. (3) The CI will be especially protected against all acts of violence, insults, public curiosity, bodily injury, reprisals of any kind, sexual attack such as rape, forced prostitution, or any form of indecent assault. (4) The CI will be treated with the same consideration and without adverse distinction based on race, religion, political opinion, sex, or age. AR 190-8, para 6-9, e. Any act or allegation of inhumane treatment or other violations of this regulation will be reported to HQDA (DAMO-ODL), WASH DC 20310-0400 as a Serious Incident Report. Reporting instructions in AR 190-40 will be used.)
28. What procedures do you have to report suspected detainee abuse (IG, CID, Next Level Commander) (1.1, 1.2, 1.6, 4.1) (AR 190-40, Appendix B, Category 1 Reportable Serious Incidents, B–1. Actual or alleged incidents involving the following: b. War crimes, including mistreatment of enemy prisoners of war, violations of the Geneva Conventions, and atrocities. B–2. Any other incident the commander determines to be of immediate concern to HODA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-40, Appendix C, Category 2, Reportable Serious Incidents, C–1. Actual or alleged incidents involving the following: g. Incidents involving prisoners or detainees of Army confinement or correctional facilities to include escape from confinement or custody, disturbances which require the use of force, wounding or serious injury to a prisoner, and all prisoner deaths. C–2. Any other incident that the commander determines to be of concern to HQDA based on the nature, gravity, potential for adverse publicity, or potential consequences of the incident. AR 190-8, 5–1. General protection policy—civilian internee, a. Treatment. (1) No form of physical torture or moral coercion will be exercised against the CI. This provision does not constitute a prohibition against the use of minimum force necessary to effect compliance with measures authorized or directed by these regulations. 29. What procedures are in place for detainees to report alleged abuse? (1.1, 1.2, 1.6, 4.1) AR 190-8, para 5-1, g. Appeals and periodic review of security internment cases. (1) Appeals. The CI who are interned for imperative security reasons will be accorded the right to appeal the order directing their internment. Such appeals will be decided with the least possible delay by a board of officers. Appeals will be decided only on the grounds of the existence or nonexistence of imperative security reasons requiring the internment of the protected person. 6-4. Internee Committee a. Election. At each camp and branch camp, CI will be elected by secret written ballot to the Internee Committee. This committee is empowered to represent the camp to the protecting powers, International Committee of the Red Cross, or other authorized relief or aid organizations and U.S. military authorities. e. Duties. (3) (c) The presentation and transmittal of petitions and complaints to the appropriate authorities in proportion to the kind of labor performed. 6-9. Complaints and requests to camp commanders and protecting power, a. Persons may make complaints or requests to the camp commander, who will try to resolve the complaints and answer the requests. If the CI are not satisfied with the way the commander handles a complaint or request, they may submit it in writing, through channels, to HQDA, ODCSOPS (DAMO - ODL) NPWIC, WASH DC 20310-0400. b. Persons exercising the right to complain to the protecting power about their treatment and camp may do so—(1) By mail. (2) In person to the visiting representatives of the protecting power will be forwarded promptly through HQDA (DAMO - ODL) NPWIC, WASH DC 20310-0400. A separate letter with the comments of the camp commander will be included. Military endorsements will not be placed on any CI communications. d. If a protecting power communicates with a CI camp commander about any matter requiring an answer, the communication and commander's reply will be forwarded to HQDA (DAMO-ODL) NPWIC, W
30. What do you perceive as the mission of your unit? Describe the importance of your role in that mission. (Insight to the Soldier's understanding and attitude concerning
unit mission and their role) AR 600-20 Command Policy 2-1. Chain of Command a. The chain of command assists commanders at all levels to achieve their primary function of accomplishing the unit's assigned mission while caring for personnel and property in their charge. A simple and direct chain of command facilitates the transmittal of orders from the highest to the lowest levels in a minimum of time and with the least chance of misinterpretation. b. Commanders delegate sufficient authority to soldiers in the chain of command to accomplish their assigned duties, and commanders may hold these soldiers responsible for their actions.

C C C cl w th a th of se	olved since you have been in Theater? (Identifies Soldier's perception of the chain of mmand and Soldier attitude. Does the Soldier feel supported? Do Soldiers feel the mmand cares? Are they getting clear guidance?) 1 AR 600–20 • 13 May 2002 1–5. Immand, b. Elements of command. c. The commander is responsible for establishing leadership nate of the unit and developing disciplined and cohesive units. This sets the parameters within ich command will be exercised and, therefore, sets the tone for social and duty relationships within command. (1) Commanders and other leaders committed to the professional Army ethic promote ositive environment. If leaders show loyalty to their soldiers, the Army, and the Nation, they earn loyalty of their soldiers. If leaders consider their soldiers' needs and care for their well-being, and they demonstrate genuine concern, these leaders build a positive command climate. (2) Duty is explicitly demonstrate genuine concern, these leaders build a positive command climate. (2) Duty is explicitly and disciplined performance. Soldiers with a sense of duty accomplish tasks given them, are opportunities for self-improvement, and accept responsibility from their superiors. Soldiers, der and led alike, work together to accomplish the mission rather than feed their self-interest.
