complained many times about the way the guards are handling the Koran. He has heard that other detainees engaged in a hunger strike approximately five days ago in reference to the handling of the Koran. He is unaware of any future plans for hunger strikes or uprisings concerning the Koran, but he would not be surprised if something happened, since this is such a hot topic in the detention facility. Telated that if the situation stays the same (reference handling of the Koran), the reactions from the detainees in the camp might get worse. (2) of Corollary Cor
