$b(\eta)(\Omega)^{-5}$ attacks on the radio; he did see a film with an interviewer and a cleric, while he was in Saudi Arabia. Another interrogator at the detention camp showed <b>constraints</b> photographs of the Twin Towers, to which <b>constraints</b> felt it was a major problem. The attacks have caused major communication problems between Muslims and the United States. <b>Constraints</b> feels badly about the attacks in part because the attacks reflect only one percent of the people who caused the attacks; additionally, <b>Constraints</b> feels that the Twin Towers attacks are the reason that <b>Constraints</b> is at the detention camp, although <b>Constraints</b> feels that the Twin Towers attacks themselves. It is "difficult to fully appreciate the aftermath of the Twin Towers," without actually seeing it, although he can only imagine the attacks in his mind. $b(\eta)(G)$ -5 <b>constraints</b> should have the other two teeth (molars) extracted as well. <b>Constraints</b> "loves" sports, and showed great enthusiasm about anything about football ("soccer"), since <b>constraints</b> is a physical education teacher, and likes to teach about soccer especially. $b(\eta)(G)$ -5 END	£2)
