Subject: PMG Update #1

Sir, here is an update on current preparation for Schlesinger Panel and ongoing Detainee Operations:

1. DAS called for meeting with you and MG Romig regarding Investigations (status, findings, outcome) for 1500 EST today: We notified CID and OTJAG for coordination and attendees were MG Marchand and COL [redacted] In speaking with MG Marchand, he relayed that he thought this meeting was a repeat of last Friday's...and may have been resparked by queries from Ms. [redacted] He also said that the meeting might have been called because there may be an impression (from higher) that CID has reduced its updates due to recent leaks to the Press. He caveated by stating that he was only thinking out loud (that may not be the impression). MG Marchand planned to go in with last Friday's input and some additional documentation.

2. Your VTC has been rescheduled for 14 June at 1400 (0800 Hawaii). I coordinated with [redacted] and he has rescheduled for DIV facility and stated that he is meeting you at the airport. We exchanged contact numbers for contingencies. We are working SVTC accommodations at Pentagon but currently have not received final disposition on facility and dial-in numbers. We will complete ASAP.

3. No IPB on Schlesinger Panel has been forthcoming -- continue to work. TT feels that if we don't receive Questions/guidance by 1200 tomorrow, we won't receive it at all (due to equiv of Federal Holiday). There will not be sufficient time to give you feedback on those GOs/SNR leaders sequenced prior to your meeting. COL [redacted] will be sending you the Panel Interview Agenda ASAP. Current intel cannot even confirm if panel will be friendly/adversarial with respect to questions but indicates that it will include questions to be addressed from both sides of the house (PMG/CID).

4. I have included a paper on "MP support to Interrogation Operations" from COL [redacted] I included my input-to-changes with final draft below (will also send doc as a separate text message). Bottom Line: [redacted] (b)(6)-2 (b)(6)-2
[redacted] Final draft of (b)(6)-2
that doc was submitted at 1500 today.

5. All daily reports were submitted.

6. I will provide follow-on updates as situation develops.

Sir [REDACTED] Great document -- but "how we frame" the question is worth relooking.
