Sir [Redacted] per our conversation, here is the regulatory analysis (crosswalk) with recommendations for interim guidance. This document should support your immediate efforts with respect to identifying potential gaps for development of Interim Guidance for AR 190-8. It is in line with all RFIs submitted to the DA TT and briefed forward thru Army to OSD (Schlesinger Panel).

Note: Recommendations in para. 4 are outlined as topics for inclusion and not addressed as verbatim regulatory inserts.
