7. DISPOSITION: Approve Signature Information Decision Other

8. BACKGROUND: (Describe the task, origin of the action, issue and the requirement. Provide fact-filled background and comments. List most important information first.)

A/SA is tasked to provide a recommendation back to OSD on a proposal to establish an Office of Detainee Ombudsman in OSD.

The Detainee Ombudsman shall be a general or flag officer who will report directly to the Secretary and Deputy Secretary of Defense. The Detainee Ombudsman will provide oversight of detainee operations worldwide as part of the global war on terrorism to include, evaluating and reporting treatment of detainees, recommending standards for proper and humane treatment, identifying and disseminating best practices, visiting DoD detention facilities, and other duties as specified by the Secretary of Defense.

10. EXECUTIVE SUMMARY: (Short and clear statement of purpose, major issue, and objective. Why are you telling this to the EOH? What should EOH know and discuss? What is the objective of the action?)

Purpose: That Acting SecArmy recommend that the OPMG expand its current HQDA Army Executive Agent (EA) responsibilities for Detainee Operations in lieu of establishing a separate Office of Detainee Ombudsman. If OSD establishes an Office of Detainee Ombudsmen, recommend that a Military Police General Officer be appointed as Detainee Ombudsman and that detainee accountability/reporting be distributed through the National Detainee Reporting Center (NDRC) to OSD in accordance with multi-Service regulation, AR 190-8.

Issue: The establishment of a Detainee Ombudsman will create redundancy to Army's EA responsibilities for detainee reporting and accountability. A separate office within OSD will require additional manning and resources and may preclude detainee reporting and accountability already provided by Army NDRC.

Objectives:

- Expand Army's EA role for detainee oversight to incorporate additional Detainee Ombudsman responsibilities, as outlined in SECDEF MEMO "Detainee Ombudsman Program," in lieu of establishing an Office of Detainee Ombudsman.
- Since the Army already exercises many of the proposed Detainee Ombudsman responsibilities, expanding its EA role will require less additional manning and resources, while leveraging existing regulations, systems, and Army NDRC/Corrections expertise to provide new detainee oversight requirements.
- If OSD establishes an Office of Detainee Ombudsman, appoint an MP General Officer as Ombudsman and continue to distribute detainee reporting and accountability thru NDRC to the Office of Detainee Ombudsman.

11. RECOMMENDATION (Provide a brief statement defining the desired action by the final approval authority and explain why this is the best option).

That the Office of the General Counsel incorporates OPMG recommendations into their response to OSD.
