Does the packet have a POC name on it? That's who we need to respond to IOT close the tasking.

Thanks,

Sorry [REDACTED] was already "awarded" this one! You'll have to settle for the next one...

Seriously, if you want me to change the POC, just let me know.

Ms (b)(6)-2

This is a tasker to provide a POC to Provost Marshal General's office during the revision of AR 190-8 which deals with EPW and detainee operations. I've looked through the changes and don't see anything concerning money, but since this would always be CONOPS I thought best to send it to you.

May I provide someone from your shop as a POC?

V/R,
MAJ (b)(6)-2

Subject: AR 190-8 Rapid Action Revision

ALCON -- Good morning: The Office of the Provost Marshal General (OPMG) is submitting a RR of AR 190-8 in synchronization with DA assessment/investigative findings of current Detainee Operations. The submission of a RR has been briefed to the DAS. This revision provides clarification for ongoing detainee operations and is fully synchronized & includes recent OSD policy regarding both ICRC/NDRC reporting and investigative/autopsy requirements. This draft was approved by the PMG on 26 Jul 04.

I ask for your assistance with the staff process. I am asking for two suspenses: first Friday, 30 Jul 04 for staffs to provide their POC/AO for this staffing and second, a suspense of 10 Aug 04 for staff concur/nonconcur with any comments.

If you have any questions or comments that you would like to discuss in person, please don't hesitate to email or call me (info provided in sig block, below).

Thanks for your assistance.
