Basis of Investigation: On 17 Aug 04, the 504th Military Intelligence (MI) Brigade (BDE), Joint Interrogation and Debriefing Center (JIDC), Baghdad Central Confinement Facility (BCCF), Abu Ghraib, Iraq (AGI), reported that Detainee [REDACTED] ISN [REDACTED] b6, b7C, b7D Detainee [REDACTED] ISN [REDACTED] b6, b7C, b7D and Detainee [REDACTED] ISN [REDACTED] b6, b7C, b7D alleged they were detained and abused by Coalition Forces (CF), prior to their arrival at BCCF, AGI.

About 1020, 20 Aug 04, SA [REDACTED] b6, b7C, b7D with the assistance of Linguist [REDACTED] b6, b7C, b7D interviewed Detainee [REDACTED] b6, b7C, b7D who stated he was captured by Coalition Forces on 23 Jun 04 on Ibrahim al Ali road in Baghdad, Iraq. He and four other detainees were stopped in a line of vehicles waiting at a checkpoint. There were three AK-47 rifles in the vehicle and the occupants feared being detained because of the weapons. They attempted to turn the vehicle around in the street. There was a shot fired and they stopped the vehicle. The occupants were removed from the vehicle, bound with plastic restraints and laid on the side of the road. An Iraqi and two Iraqi women arrived and the Iraqi man began punching the restrained men telling them "You killed her." When the Iraqi man finished hitting the restrained men, an American soldier dressed in the DCU uniform took each man separately to a farm building located approximately 10 meters from the road. When [REDACTED] b6, b7C, b7D was taken to the farm, he was taken into a room where four American soldiers and one translator of unknown nationality were waiting. After he was placed in the room, the five men began hitting him and telling him, "You are the killer." [REDACTED] b6, b7C, b7D did not know who the woman was that they were talking about and they did not tell him. He was beaten for about 30 minutes and was returned to the roadside. He could not provide any additional details pertaining to the descriptions of the room and the occupants. About 10 minutes later, he was blindfolded and placed into the back of a HMMVV and was transported to an unknown location. He could not provide any details as to the direction or distance to this unknown location. He was given food, water and was allowed to sleep. At about noon the following day, he was blindfolded once again and taken to a second unknown location. He could not provide any details as to the direction or distance to this unknown location. At this location, he was blindfolded and bound with plastic restraints and punched, kicked and hit with chairs. He did not know how many people were assaulting him, but remembered they were playing disco-type music. He said at one point, the translator told him, "The big Satan will beat you" and partially removed the blindfold from his eyes and a man that he could not see hit him. Moments later, his blindfold was lifted again and he was shown a picture of an unknown woman and asked if he knew her and did he kill her. He told them that he had never seen her before. He was beaten again and then transferred to a third location with no incident. He could not provide any details as to the direction or distance to this unknown location. He stayed at that location for eight or nine days and was transferred to AGI. [REDACTED] b6, b7C, b7D described the man who beat him at the second location as a tall, thin man, clean-shaven, with brown hair in a military cut and blue eyes. He said the man did not wear any jewelry and had a pistol on his leg. He said the translator was dressed in civilian clothes covering his entire body with only his black-colored eyes exposed. [REDACTED] b6, b7C, b7D added he received medical treatment at the first location for a cut on his upper lip that he received while being beaten by the Iraqi man on

AGENT'S COMMENT: ^{b64, b7C} [REDACTED] did not write Arabic.

About 1225, 20 Aug 04, SA ^{b64, b7C} [REDACTED], with the assistance of Mr. ^{b63, b7C 3} [REDACTED], interviewed ^{b64, b7C} [REDACTED] who stated he was captured by Coalition Forces on 23 Jun 04 on Ibrahim al Ali road in Baghdad, Iraq. He and four other detainees were stopped in a line of vehicles waiting at a checkpoint. There were three AK-47 rifles in the vehicle and the occupants feared being detained because of the weapons. They attempted to turn the vehicle around in the street. There was a shot fired and they stopped the vehicle. The occupants were removed from the vehicle, bound with plastic restraints and laid on the side of the road. A vehicle drove up and an Iraqi man and two Iraqi women got out, there was a boy (about 13-14 years old) in the car. The man beat each of the five restrained men in succession and asked, "Where did you take the woman?" One of the women said to him, "They are not the men, they are five and there was only four. And their car has plates the other car did not have plates." The man told her, "This is not your business, go back to the car." This man and an American soldier in uniform took the first man to a farm located about 15 meters away from the road. He could hear each man screaming from the farm, and when he was returned, the next man was taken to the farm. He heard the screaming and he too was returned. The same happened to the third man, but when he returned, all five men were blindfolded and placed in HMMVVs and taken to an unknown location. He could not provide any details as to the direction or distance to this unknown location. They were given orange/red jumpsuits and placed in separate cells. The following day they were all gathered into a single cell, blindfolded and transported to a second unknown location. He could not provide any details as to the direction or distance to this unknown location. Upon arrival, he was interrogated by an American soldier in DCU's with the American flag. He described the man as tall thin, white male, clean-shaven, with light colored hair and did not wear glasses. The man told him a woman had been kidnapped and asked where she was. He told the man he did not know anything about the situation. The man became angry and he was sent to a room and he could hear the other detainees were also in the room. He said he was beaten by a group of people of unknown size and nationality and he could hear the others being beaten as well. He said he returned to the room with the interrogator and was asked again about the missing woman. He told the man he did not know anything and he was returned to the other room and beaten again until sunset. He could not provide any additional details pertaining to the descriptions of either room. He was then bound and blindfolded and taken to a third unknown location and was placed in a single cell. He could not provide any details as to the direction or distance to this unknown location. He stayed there for seven to nine days and was interrogated three separate times on three separate days but was not beaten. He was then transported to AGI. He said he was seen by a doctor at the third location but had not received any injuries and did not require any medical treatment.

AGENT'S COMMENT: [REDACTED] did not write Arabic.

About 0900, 21 Aug 04, SA [REDACTED] with the assistance of Mr. [REDACTED], interviewed Detainee [REDACTED] who stated he was captured by Coalition Forces on Ibrahim al Ali road in Baghdad, Iraq but did not remember that date. He was in a vehicle with [REDACTED] and two other men. They were in line for a checkpoint and had three AK-47 rifles in the vehicle. They feared they would be detained at the checkpoint so they tried to turn the vehicle around. A shot was fired and the occupants were removed from the vehicle, bound with plastic restraints and placed on the side of the road. A vehicle drove up and an older Iraqi man and two Iraqi women got out. The Iraqi man began hitting the restrained men and asking them, "Where did you take the women?" After he finished hitting the men, two American soldiers took one of the men to a nearby farm building. The two soldiers returned with the man and took another away. When it was his turn, he was taken into a room where there were two American soldiers and a translator waiting for him. He was beaten by the three men for about 10-15 minutes and questioned about the location and disposition of an unknown woman. He described Americans as a tall black male with a large build and a tall white male who was smaller in build than the first. Each soldier was wearing the DCU uniform. The translator was an Iraqi man wearing civilian clothes and had a "pure" Iraqi accent. He could not provide any details pertaining to the description of the room. When he was returned to the road, he remained there for approximately 10 minutes. He was given water by an American soldier and was then blindfolded and placed in the back of a HMMWV. He was transported to an unknown location. He was given an orange/red jumpsuit. He could not provide any details as to the direction or distance to this unknown location. He was given food and water and allowed to sleep. The following day he was blindfolded and transported to a second unknown location. He could not provide any details as to the direction or distance to this unknown location. He was taken into a room where he could hear the other detainees, and then into another separate room. He was questioned and beaten by a man he could not describe. The man asked him about the location of the missing woman. At one point the interpreter told him, "Raise your head, you are an Iraqi." He replied to him with "I do not have the honor to be an Iraqi now." He could not describe the men because he was blindfolded during the interrogation and there was nothing distinct about their voices. He could not provide any details pertaining to the descriptions of either room. He was returned to the room with the other detainees and transported to a third unknown location. He could not provide any details as to the direction or distance to this unknown location. He remained there for nine or ten days and was interrogated twice during that time. He was then transported to AGI. He was seen by a doctor and received medication for ear pain, but did not receive any injuries as a result of the beatings.

AGENT'S COMMENT: [REDACTED] did not write Arabic.

b61, b7C1 About 1355, 26 Aug 04, SA [REDACTED] b64, b7C4 interviewed SGT [REDACTED] b64, b7C4 A Co., 202nd MI BN, BCCF, AGI, and Mr. [REDACTED] b64, b7C4 CACI, BCCF, AGI, who stated they interrogated [REDACTED] b64, b7C4 and [REDACTED] b64, b7C4 for b64, b7C4 intelligence purposes. The individuals stated they were detained by American Forces at a checkpoint. The detainees informed them that only one of the occupants was assaulted by an Iraqi man who arrived in a separate vehicle. And this occurred as they were being walked from the vehicle to the checkpoint. They terminated the interview before any additional information about their capture was revealed, as they determined the detainees were no longer valuable sources of intelligence. SGT [REDACTED] b64, b7C4 and Mr. [REDACTED] b64, b7C4 stated the detainees did not mention any abuse by Coalition Forces. SGT [REDACTED] b64, b7C4 provided copies of the sworn statements provided by the American soldiers who captured [REDACTED] b64, b7C4 and [REDACTED] b64, b7C4 (See Statements) b64, b7C4 b64, b7C4 b64, b7C4 b64, b7C4 b64, b7C4

AGENT's COMMENT: There were several inconsistencies with the accounts provided to SGT [REDACTED] b64, b7C4 and Mr. [REDACTED] b64, b7C4, as compared to those provided to this agent. Even though SGT [REDACTED] b64, b7C4 and Mr. [REDACTED] b64, b7C4 did not pursue information pertaining to the incidents after their capture, the detainees' account of the incidents before capture were inconsistent with those provided at initial interview.///LAST ENTRY///

consisted on one male, one pregnant female, one other female in traditional black dress, and one teenage boy. By the time that I stopped traffic and had soldiers pull them off, the detainees were beaten by the translators for 1-2 minutes. It took so long because one soldier was guarding the detainees, SSG [REDACTED] was inventing the vehicle and weapons, and soldiers were still manning the TCP. The translators said that these men killed their father and kidnapped the sister. They were for [REDACTED] positive. I was trying to settle them down. I told them that the males were already guilty and if they beat them, they could get in trouble too. Through the conversation, they tried to beat the detainees. SSG [REDACTED] moved the detainees one at a time to a blocked [REDACTED] concrete block shed off of the road. One detainee at a time. I was in line of sight of SSG [REDACTED] and made sure the translator family was far enough away so they couldn't see. I took off my weapon and took my translator's weapons. [REDACTED] my translator, expressed that he wanted to kill them. I received a picture of the kidnapped girl from the family, who now said that the detainees "possibly" committed the crime. I interrogated the detainees, only 3-4 total, lifted up the Aids dressing covering from their eyes and showed them the girl. The detainees were beaten badly by the male translator and would cry out every time I lifted them up as they attempted to sit down. Total interrogation time for each was 1-2 minutes. They [REDACTED]

SAID that they never seen the girl AND were hunting rabbit. I received a call that inside the detainees vehicle, they found four AK 47's, API 7.62 rounds, digital camera, disposable camera, AND articles that seemed to belong to a woman. After a total of 10-15 minute interrogating, finding all of the articles in the vehicle, dealing with a angry family, dealing with the detainees that cried AND screamed if touched, I decided to look along RTE Cannucks for the kidnapped girl AND return to the 29 Palms, 2ND BCT detainee center. We loaded our vehicles AND left. SFC b64, b7C, [REDACTED], throughout the entire event, ensured that the detainees were cared for AND the area was secure. He witnessed the family fight, the cataloging vehicle equipment, AND parts of the interrogation. The patrol along Cannucks came up w/ nothing AND the Detainees went to 29 Palms. 1-8 CAV Picked them up the next day for further interrogation.

Q: Did you write the previous statement?

A: Yes.

Q: Besides you and SSG b64, b7C, [REDACTED], who else went to the detainees vehicle?

A: I am not sure, I think it was PFC b64, b7C, [REDACTED] and SFC b64, b7C, [REDACTED]

Q: Did the Iraqi man who beat the detainees interrogate them?

A: He was speaking to them while he hit them, but it was in Arabic.

Q: How far did SSG b64, b7C, [REDACTED] move the detainees to the shed?

A: Maybe 50 meters. b64, b7C, [REDACTED]

Q: Did you witness SSG b64, b7C, [REDACTED] move the detainees?

A: No

Q: Who did b64, b7C, [REDACTED] work for?

A: He is an Iraqi local national we hired with FOD funds. b64, b7C, [REDACTED]

Q: Does he still work with your unit?

A: No, he works for someone else, but I can have him contact back here.

Q: At any time did you strike any of the detained men?

A: No, I pulled them out of the vehicle and put them on the ground initially but I never struck them.

Q: Did you witness anyone else, other than the Iraqi family, strike them?

A: SSG [REDACTED] b64, b7C4 said he punched one in the mouth after the man raised his AK47 towards him, but other than that I did not see anyone strike them.

Q: Where did you interrogate the detained men?

A: I interrogated them at the shed. SSG [REDACTED] b64, b7C4 would bring one over, I would talk to him and show him the picture of the girl. I at times had to lift them up as they tried to sit. b64, b7C4 They would cry out every time I lifted them up b64, b7C4 Once I finished talking to them, SSG [REDACTED] b64, b7C4 would take them back to the road area and then bring me the next person b64, b7C4

Q: Did you ever interrogate the detained men with more than you and the translator, [REDACTED] b64, b7C4 in the shed?

A: SSG [REDACTED] b64, b7C4 would bring the men to the room and then leave shortly after. SFC [REDACTED] b64, b7C4 was moving from area to area and stopped in at times. The only people talking to the detainees were [REDACTED] b64, b7C4 and myself.

Q: Did anyone ever take the Iraqi man with them to talk to one of the detainees?

A: I do not think so, and no one ever mentioned it to me.

Q: Did more than one soldier escort the detained men from the roadside to the shed?

A: To the best of my knowledge it was only SSG [REDACTED] b64, b7C4

Q: What uniform was the translator [REDACTED] b64, b7C4 in?

A: He most likely wore DCU. They read "Interpreter" over the left pocket and had a 1st CAV patch as well. He did not have a military style civilian clothes.

Q: Did anyone in civilian clothes interrogate the detainees?

A: Not in my presence.

Q: Do you have anything to add to this statement?

A: We have seen propaganda from Abu Ghriab and Fallujah that tells people that if they are captured, say that you were beaten so that you will be freed and receive monetary retribution. // END OF STATEMENT //

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On the evening of 23 June 2004, my platoon was conducting a TCP in our sector. While conducting this TCP, a white sedan had tried to turn around. We put the vehicle back in line. The vehicle tried to turn around again. We gave the vehicle a warning shot. As we cornered the car, the five individuals inside resisted arrest. Once we were able to detain the individuals, we cuffed them and pulled them to the side of the road. As they were being led to the side, I started inspecting the vehicle finding numerous weapons, magazines, and a camera. As I was inspecting the car, a 4 door black sedan pulled up into our TCP. In it were 2 males and 2 females. The oldest male and younger female had identified themselves as interpreters, and had just come from their house where their father had been murdered and their sister had been kidnapped. They had seen the individuals we had detained and identified them as the ones who did it. Once they saw them, the family ran to the detainees, punching & kicking them. We had to break down the [REDACTED] b64, b7C4 side of the TCP to help control the family. Once we knew that these men had done the accusation, our PCT leader (ILT [REDACTED] b64, b7C4) told our interpreter to put away his weapons, cause the killing of another interpreter, spread anger through the interpreters. Once we got the family contained, we showed the family some of the items we had found, in the car, and a camera they had thrown out. (Archer Brand) The family had identified the 2 cameras and a pair of sunglasses as the sisters. We also found out that the interpreters had just got paid within the last couple of days, which explained the large amount of US dollars we found. The family had shown us a picture of their sister. LT [REDACTED] b64, b7C4 found an abandoned site, about 50 m. off the road to the individuals. He and [REDACTED] b64, b7C4 went down to the site. [REDACTED] b64, b7C4 had me bring the individuals down to the site one at a time for the questioning. I would bring the individuals down to the site and walk back to the roadside to help w/ the guarding.

OF THE OTHERS, LT [REDACTED] WOULD QUESTION THESE MEN FOR LONGER THAN
3-5 MINUTES, EVERY FEW MOMENTS I WOULD LOOK BACK TO THE SLED
TO MAKE SURE THE LT. DID NOT NEED ME. I COULD HEAR THE LT. YELLING
AT THE DETAINEES ABOUT THE GIRL AND FATHER. I SAW THE LT. PICK UP THE
MEN WHILE HE WAS QUESTIONING THEM. CAUSE AFTER HE WOULD SHOW THEM
THE PICTURE THEY WOULD START WHINING LIKE LITTLE BABIES AND TRY TO
SIT ON THE GROUND. AFTER THE THIRD INDIVIDUAL WAS QUESTIONED THE LT.
DECIDED TO STOP ALL TLP ACTIONS AND GET READY TO GO BACK TO BASE. THE
INDIVIDUALS WERE SAYING THEY WERE ABOLTING RABBITS AND HAD NOTHING TO

TURNED AROUND AND WENT BACK TO CAMP BLACKJACK, AND TOOK THE

I, [REDACTED] b64, b7C4, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

After 1900, in JUL 04, I was translating for D. 9th CAV, on route Cannucks. D. 9th CAV were operating TCPs. There was a vehicle, a white, 4 door, KIA Sephia that attempted to turn around twice, on the third time move out of the vehicle line twice. The third time, the vehicle moved out of line and tried to turn around. As the vehicle was turning, SSGT [REDACTED] fired a warning shot. b64, b7C4 SGT [REDACTED] and I went to the vehicle. I told the 5 males in the vehicle to get out. The driver started talking to the other males and was ignoring my command that I spoke in Arabic. SSGT [REDACTED] had his M-4 at his side and b64, b7C4 was about close. SSGT [REDACTED] and I opened the front passenger door. That's when SGT [REDACTED] saw the AK-47 next to the man - [REDACTED] in his hand resting on it. SGT [REDACTED] punched the man. The man's AK-47 was locked and loaded with a magazine. SGT [REDACTED] removed the man from the vehicle and other soldiers helped us remove the men from the car. The men were lined up alongside the road with their hands zip-cuffed behind their backs. The detainees were moved closer to the HUMMVs and the car was moved because it was blocking traffic in the opposite lane. About 15 minutes later, a black car, Parateesh, 4 door, with a man, ^{a woman} his wife, the ^{woman} wife, ^{b64, b7C4} her aunt (or family member) and little brother, of the woman. The man came up to me and showed me an old Titan Translator badge (it is blackish color and rectangular with the photo in the corner and the ID information oriented along the long side of the card) with "Titan" under the photo. The man told me that the Detainees had killed his wife's father and kidnapped her sister. The woman showed me a similar "Titan ID Badge". The man and woman spoke to me in Arabic and then in English. The family started to punch and kick each one of the Detainees. The family started with one detainee and together would move to the next detainee. The woman was asking the Detainees, "Where's my sister?" The mother was asking the Detainees, "Where's my daughter?" The man and I spoke about finding

his wife's (the woman) sister. The family calmed down and stood next to them the Hummer. The LT, LT [REDACTED] told his soldiers to watch the family and guard the Detainees. I went with the LT to a little area that had two small walls and no roof. I was not wearing my pistol, but the LT had his M-4 with [REDACTED] slung on the side of his body. The Detainees were brought in one at a time. I was the interpreter and LT [REDACTED] was the interviewer. The Detainees were standing with their backs to the wall. The hands were flex cuffed behind their backs [REDACTED] they were not blindfolded. There were no other soldiers or people in the room. The LT asked the Detainees about where they had been. The Detainees stated they were hunting rabbits with the AK-47 and the armor piercing bullets. The LT had a photo of the kidnapped girl which he showed the Detainees. The Detainees denied the allegations of kidnapping the girl and killing the husband/father. We had told the family to go to the Iraqi Police to file a report, but after a call was made, they were brought her and filed a report. I drove the family's car back to Camp Victory in the middle of the convoy.

I, [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: On 23 June 2004, around 2030, I SFC [REDACTED] was at the far end TCP on RT Curruvick. I heard over the ICOM that the other TCP the western side, had detained some personnel. About 5-10 minutes passed, and I went down to see what was going on. When I got down there, there was this Iraqi civilian hitting our detainees while they was on the ground face-down. I asked what was going on and SFC [REDACTED] told me the situation. At that time I tried to separate the civilians from the detainees. I asked did they have any pictures of the sister that got kidnapped. They supplied me one. I gave it to the LT. and he saw a building about 30-50 meters away. He told me to continue to run the TCP and safeguard the detainees with SFC [REDACTED] & PFC [REDACTED]. I ran the TCP with the two soldiers & checked on the guards the LT was asking each detainees. On the second person getting questioned I went to the back and watched. The LT took the bandage off his eyes and asked where the girl was at. The detainee fell to his knees crying like a little girl. They picked him up and asked him the questions again. He said that they were up in Garaha hunting rabbits. The LT said that it was a lie and that we had the digital camera and some American money. He asked where they got it from. And they said he didn't know. So the LT let him go and I left to continue the TCP and safeguard the other detainees. When the LT came back up after I think the 3RD detainee, he called up higher and asked if we could turn

I, ^{b64, b7c4}, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: ^{b64, b7c4}

On June 23, 2004 my platoon was conducting a TCP on ^{b64, b7c4} Cannucks. I was checking cars for illegal weapons when SSG ^{b64, b7c4} had left the area to direct a car, that was trying to leave, to get back in the line. I then heard SSG ^{b64, b7c4} shouting and then 2-3 shots. 1Lt ^{b64, b7c4} then left the area to see what SSG ^{b64, b7c4} was doing. I continued to direct traffic for about the next ten minutes before going to check out what had happened myself. As I got over to the car there were 3 AK-47 lying on top of the roof. SSG ^{b64, b7c4} was continuing to search the car and 1Lt ^{b64, b7c4} was pulling security on five iragis who were all lying on the ground. 1Lt ^{b64, b7c4} then asked for my assistants in putting handcuffs on the individuals, so I did. We then separated the individuals and I returned to conducting the TCP. We later callasps the TCP and took all five individuals to the detainee center on Camp Victory North.

Q: Did you write the previous statement?

A: Yes.

I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: b64, b7c4

On June 23, around 20:00 we had set up a TCP on RT Cannucks. I moved up the road about 100 m to set up my OP. I then heard a gunshot from behind I looked back and saw that a car turning around get shoot. A few minutes later I got the call to come back to the TCP and to look for a weapon that was thought to be thrown out of the car between my OP and the TCP. When I got back without any weapons found, there where 5 guys handcuffed and face down on the ground and numerous weapons on the road. I also saw an Iraqi family there and an Iraqi Man beating one of the prisoners. After I found out who they where, I pulled guard on the 5 guys and telling cars to keep moving. Sgt b64, b7c4 was walking back and forth between the car, the prisoners, and the interrogation area. Sgt b64, b7c4 brought prisoners one by one to the interrogation area and the side of the road where I was. 2T b64, b7c4 and our interpreter where about 50 meters in an abandoned looking shed interrogating the prisoners.

I saw the interrogation area and heard a lot of yelling, but I didn't see any abuse. The Iraqi would sit down, and LT [REDACTED] picked him up again while our interpreter continued to question him. A lot of my attention was also drawn to cars stopping to see what was going on and I would yell at them to keep moving. Towards the end we took pictures and evidence. Placed the Iraqis in our trucks and moved them to 29 Palms.

On 06/23 afternoon, I got stopped on an American checking point, American soldiers asked me to get out of the car and lay down on the ground. Civilian car parked when Iraqi guy came out of it and accused us of kidnapping and killing an Iraqi women, and there was an Iraqi soldier wearing the US military uniform and holding AK47. This soldier start hitting me with his AK on my head and my side just like a baseball. And the other Iraqi start kicking me. Later, the American soldiers took us to an interrogation room that was in a house near by. And I was hearing guys screaming from beating them so hard, and when it was my turn the time was up for the checking point. Then they put me in the hummer just like throwing anything else. They took us to one of the American military locations. One of the soldiers picked me up and dropped me on the ground so I fall over my head. He covered my eyes so I won't see anything then started walking me and hitting my head in the hummer or a wall. He took me to a tent in a backyard and the handcuffs were so tied to a point I couldn't move my hand cuz there was no blood in them. There was American soldiers talking and I asked them if I can get some water and they asked me to shut up. And there was other soldier that gave me water and he helped me drink it because my hand were cuffed, after that they took us to see a doctor for a checkup. Later they took me to an area with bathrooms by myself where I took a shower and had some sleep and that was after they took some information's from me like my name and my last name and living condition

[REDACTED] b64, b7C4, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: Around 24 Jun 04, they brought the detainees to the power plant. After they handled to us from the other unit. The detainees had some injuries and the detainees said they where hit when they were caught. I saw one had a bruised eye and they said they got beat up when they caught them. I do not remember all of the injuries it is not clear. I was already at the power plant and said they need to interrogate them. It is my job to help them because I am an interpreter. They put the detainees in one room and the interrogation room was right beside that room. They brought the detainees one by one into the interrogation room for investigation. The investigation was about the killing of [REDACTED] b64, b7C4 was a female interpreter who worked for 1-8 CAV, us, at the power plant. Her father got killed and she was kidnapped. We tried to get some details on how she was kidnapped and killed and where was she at. At the time we did not know where she was. The detainees were captured by D 1-9 had captured them because they had 3 AK-47's with ammo, and with some evidence was useful for us, Like the camera and the pictures which belonged to [REDACTED] b64, b7C4. When they captured them they found the pictures and the camera inside their car. That would be enough evidence to tell they were involved. SFC [REDACTED] b64, b7C4 would bring a detainee in the interrogation room and SGT [REDACTED] b64, b7C4 was guarding the detainees in the holding room, and CPT [REDACTED] b64, b7C4 and 1SG [REDACTED] b64, b7C4 questioned them. I had my mask to hide my face, just showing the eyes and I was wearing civilian clothes and I would interpret as they would ask the questions. CPT [REDACTED] b64, b7C4 and 1SG [REDACTED] b64, b7C4 were wearing American DCU's uniform. The detainees were wearing civilian clothes, their hands were tied behind the back, and we took off the goggles they were wearing while they were inside the interrogation room. I just translated what they said.

Q: SA [REDACTED] b64, b7C4

A: Mr [REDACTED] b64, b7C4

Q: Was the above statement dictated by you and typed by me?

A: Yes.

Q: Were where the detainees transferred to after being picked up at the 29 Palms detention center?

A: They handled them to the DIF guys at Camp Falcon. I think the guys that caught them kept them for a night and brought them to the power plant. They caught them at night and brought them to the power plant the next day.

Q: Do you know where they were caught?

A: They were caught somewhere west of Baghdad.

Q: Who captured them?

A: I think D 1-9 CAV.

Q: Where you there when they were captured?

A: No.

Q: Where you there when D 1-9 CAV transferred he detainees to B 1-8 CAV?

A: No. I just remembered the detainees said they got beat up when they got caught. They were beat up by Iraqis. They think he was a translator.

THE INFORMATION WE COULD GET HAD BEEN GOTTEN. WE BLEND FOLDED ALL OF THEM, LOADED THEM IN HUMVEES AND TRANSPORTED THEM TO FOB FALCON TO BE INPROCESSED AT THE SRET BIF. THROUGHOUT THE WHOLE PROCESS THE WERE TREATED PROPERLY, OFFERED WATER AND THE USE OF THE LATRINE IF NEEDED.

Q: SA [REDACTED] b61, b7C4

A: ISG [REDACTED] b64, b7C4

Q: Where were the detainees transferred to after they were picked up at 29 Pulis Detention Facility?

A: OUR COMPANY GUARDS THE AL DOURA POWER PLANT 24 HOURS A DAY WITH A PLATOON THAT LIVES OUT THERE. THEY RESIDE IN A BUILDING WHICH WE USE FOR TACTICAL QUESTIONING. DUE TO THE FACT THERE IS NO PLACE ON THE FOB TO CONDUCT TACTICAL QUESTIONING.

Q: Why did your unit stop at this location to interrogate the detainees if your unit was taking them to FOB Falcon for interrogations?

A: WITH ALL DETAINEES A UNIT TACTICAL QUESTIONING SESSION OCCURS PRIOR TO TRANSPORTING DETAINEES TO THE BIF. TO INPROCESS DETAINEES AT THE BIF, A UNIT MUST PROVIDE SWORN WITNESS STATEMENTS WITH THE DETAINEES. IT WAS OUR GUIDANCE FROM EITHER THE COMPANY COMMANDER OR BATTALION COMMANDER TO TACTICALLY QUESTION THEM AT THE POWER PLANT DUE TO THERE NOT BEING A SUITABLE PLACE ON THE FOB TO DO IT. NO TACTICAL QUESTIONING WAS CONDUCTED BY THE INITIAL CAPTURING UNIT. AT THE BIF, IT WAS LEFT TO US TO CONDUCT.

Q: Is the power plant used to house other detainees?

A: NO DETAINEES ARE HOUSED AT THE POWER PLANT. DURING RAIDS WHERE UNKNOWN DETAINEES ARE APPREHENDED IT IS SOMETIMES USED FOR TACTICAL QUESTIONING PRIOR TO TRANSPORT TO THE BIF. b64, b7C4

Q: So your unit uses the Power Plant regularly to ~~conduct~~ tactical questioning of detainees before they are taken to the RIF?

A: USED INFREQUENTLY MORE THEN REGULARLY. BESEDES THIS TIME, IT MIGHT HAVE OCCURED 1-2 TIMES MORE, USUALLY DURING A RAID WE TARGET 1-2 PEOPLE SO AT THEIR HOUSE, WHEN IT IS BEING SEARCHED, TACTICAL QUESTIONING OCCURS AND THEN FROM THERE THEY ARE TRANSPORTED TO THE RIF. IF NEED BE, DUE TO A LARGE GROUP OF DETAINES AT A SINGLE HOUSE, THEY CAN BE MOVED TO THE POWER PLANT AFTER THE HOUSE SEARCH FOR TACTICAL QUESTIONING. THIS REDUCES THE CHANCE OF BEING ATTACKED IN THE NEIGHBORHOOD IF YOU WERE TO STAY IN ONE SPOT A LONG TIME.

Q: Please describe the layout of the building at the Power Plant in which the tactical questioning was conducted of these detainees?

A: IT IS THE FORMER SETNAM BUILDING. A ONE STORY BUILDING WITH ONE HALLWAY. IT HAS A SHOWER ROOM AND A LATRINE ON ONE END, 3 SOLDIERS ROOMS ON ONE SIDE AND TWO ON THE OPPOSITE SIDE, AT THE OPPOSITE END FROM THE LATRINE IS A KITCHEN AREA IN A ROOM AND A TV ROOM.

Q: Please describe the room where the tactical questioning of the detainees was conducted to include furniture, windows, desks, etc.

A: BOTH ROOMS HAVE A HANDFUL OF ARMY COTS AND SOME MATTRESSES, NO OTHER FURNITURES. THEY EACH HAVE A WINDOW WITH A WINDOW UNIT AC MOUNTED, PROBABLY THE ROOMS ARE 15' X 18' FT ROUGHLY.

Q: Who participated in the tactical questioning of these detainees at the Power Plant?

A: CAPT [REDACTED] ASKED MOST OF THE QUESTIONS, I, USG [REDACTED] TOOK NOTES AND ASKED SOME QUESTIONS AND SFC [REDACTED] WAS ALSO PRESENT AND ASKED QUESTIONS, AND THE INTERPRETOR [REDACTED] WERE THE ONLY ONES PRESENT.

I, *b64, b7C4*, WANT TO MAKE THE FOLLOWING
 STATEMENT UNDER OATH: From March 2004 to March 2005 I was
 deployed in support of Operation Iraqi Freedom with B 1/8 CAV,
 1CD. We were stationed at Camp Falcon, but I had a platoon size
 element at the Aldura Power plant about 5 miles from Camp
 Falcon. In May or June of 2004 I received a verbal order from my
 Battalion commander to pick up some detainees from 29 Palms
 detention facility and transport them to Camp Falcon. I took
 possession of the detainees at 29 Palms and stopped at the power
 plant to drop soldiers off and load food before heading back to
 Camp Falcon. While at the power plant I questioned the
 detainees to obtain additional information for the interrogators
 at Camp Falcon. The detainees were unloaded from the trucks and
 placed in a room within the power plant. I had SGT *b64, b7C4*
 watching the detainees while I questioned them one by one in
 another room. *b64, b7C4* 1SG *b64, b7C4* SFC *b64, b7C4* and an Iraqi interpreter
 we called *b64, b7C4* were present in the room while I questioned.
 1SG *b64, b7C4* took notes during the interview. At no time were
 photographs of any kind exposed by any of my soldiers from the
 time we took possession of the detainees until the time we
 released them to the detention facility at Camp Falcon. At no
 time were the detainees hit, abused, or maltreated while in my
 custody. When I took possession of the detainees at 29 Palms I
 signed for them and their packets, I did not notice if there
 were any statements in the packets where the capturing unit had
 questioned them. There were pictures provided to me by the
 commander of D 1/9 Cav, which was the capturing unit, that were
 taken at the time of capture. I provided those photographs to
 the CID office in Iraq. *b64, b7C4*

Q: Q: Were any pictures provided to *b64, b7C4*

A: No.

Q: Were any pictures of the detainees provided to any
 interpreters?

A: No.

Q: What room was used to interrogate the detainees?

A: It was just a room in the power plant within our living space
 that we controlled.

I, *b64, b7C4*, WANT TO MAKE THE FOLLOWING STATEMENT
 UNDER OATH: I was deployed to Iraq in support of Operation Iraqi
 Freedom with B CO 1-8 CAV from March 2004 to March 2005. My
 unit was stationed at Camp Falcon and we had a platoon size
 element providing security at the Aldura Power Plant about 4-5
 miles from Camp Falcon. In May 2004 we were ordered to pick up
 some detainees who had been captured and were being held at 29
 Palms detention facility and transport them to Camp Falcon for
 interrogation. We took custody of the detainees at 29 Palms and
 stopped at the Aldura Power Plant to allow the platoon stationed
 there to get their LOGPAC. While we were at the power plant we
 took the detainees into the building which our platoon
 controlled and questioned the detainees regarding the kidnapping
 and murder of an interpreter that worked for our unit in order
 to provide more information to the interrogators at Camp Falcon.
 We used two of the rooms not occupied by members of the unit to
 conduct the interviews. We placed the detainees in one of the
 rooms in separate corners so they could not talk to each other
 and then took them one by one into the other room for
 questioning. SGT *b64, b7C4* was guarding the detainees
 that were not being questioned and myself, CPT *b64, b7C4*
b64, b7C4, SFC *b64, b7C4* and an interpreter we call *b64, b7C4*
b64, b7C4 questioned the detainees one at a time. At no time were
 pictures exposed of the detainees from the time we took custody
 of them at 29 Palms until the time we turned them over at Camp
 Falcon. When we took custody of the detainees at 29 Palms the D
 CO 9 CAV commander provided pictures which were taken of the
 detainees and their vehicle at the time of capture. Those
 pictures were provided to the CID office in Iraq. At no time
 were the detainees hit, abused or maltreated while in our
 custody.

Q: Were pictures taken of the detainees while at the power
 plant?

A: No.

Q: Were any pictures of the detainees provided to *b64, b7C4*

A: Definitely not.

Q: Were any pictures of the detainees provided to any

Q: Why were the detainees interrogated at the power plant when they had already been interrogated by the capturing unit?

SWORN STATEMENT

File Number: 0329-05-CID034
 Location: Fort Hood, TX 76544
 Date: 16 May 05
 Statement of: [REDACTED]
 SSN: [REDACTED]
 Org/Address: B CO 1/8 CAV, 1CD, Fort Hood, TX 76544

Time: 1410
 Grade/Status: E-7/Active

I, [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT
 UNDER OATH: I was deployed with B CO 1/8 CAV in support of
 Operation Iraqi Freedom from March 2004 to Feb 2005. While in
 Iraq my platoon was charged with the security of the Aldura
 Power plant from March 2004 to August 2004. During the month of
 June CPT [REDACTED] came out to the power plant on a regular
 patrol, once he arrived he received orders to take custody of
 some detainees at "29 Palms" and transport them to FOB Falcon.
 We went to "29 Palms" and took custody of the detainees, on the
 way back to FOB Falcon we stopped at the power plant so that my
 platoon could do the chow run and so that we could change out
 personnel. While at the power plant CPT [REDACTED] and 1SG
 [REDACTED] conducted interviews of the detainees. We brought the
 detainees in to the power plant building and utilized to empty
 rooms to conduct the interviews. In one of the rooms we had the
 detainees sitting in a circle facing the walls and separated so
 that they couldn't talk. One by one we would lead them into the
 other room to be questioned. While they were in the holding
 room they were blindfolded and then when we brought them into
 the room for questioning we removed the blind fold. Once we had
 finished questioning them they were returned to the holding
 room. The questioning of all of them took a little more than an
 hour. We then loaded them back up and transported them to FOB
 Falcon where we turned custody of them over to the Baghdad
 Central Confinement Facility.

Q: Were any pictures taken of the detainees while at the Aldura Power plant?

A: No.

Q: In your previous statement to CID you stated photographs were taken using your digital camera, why are you now stating no photographs were taken?

A: I think it was because we did turn over pictures of the
 detainees at FOB Falcon, but in thinking about it we turned over
 pictures that were already printed and I have no way of printing
 the pictures from my camera, so I think the photographs I was
 talking about were the ones we received when we picked the
 detainees up, taken by the capturing unit and then turned over
 at FOB Falcon.

Received email response from CPT [REDACTED]. The B Company Commander and First Sergeant were in charge of the detail that picked up the detainees at the 2BCT BIF or "29 Palms". They were already at Camp Victory to participate in a Court Martial for one of their soldiers, and were escorting the BDE JAG as well. Our TOC gave them the VOCO FRAGO to pick up the detainees from the 2BCT BIF and escort them to the 5BCT BIF. The patrol took custody of the detainees, and transported them to the Dora Power Plant. The Dora Power Plant has a permanent security requirement of 1 Platoon. The Platoon had not received their LOGPACK, and the only transport available for the mission was this same convoy. The detainees were escorted to a room in the facility, given water and food, and were under NCO supervision the entire time. The LOGPACK took no more than 1 hour, and since the detainees were suspects in the murder of one of their interpreters, they used the line of questioning to collect the basic information that was also included in sworn statements for processing into the 5BCT BIF. There was constant, uninterrupted NCO supervision of the tactical questioning, and although the detainees were handled firmly as they were segregated for questioning, there was never a breach of unnecessary force. At no time did any member of B/1-8 use inappropriate force on the individuals. When the LOGPACK returned, the B Company Commander expedited their movement and processing into the 5BCT BIF. The individuals supervising this interim location at all times were:

Det Cdr review:

This is in response to RFC 0154-05-CID001. There were several interesting comments in the RFC. See RFC for comments and see below corresponding numbers for my response.

1. Noted
2. I do not feel it is necessary to offer the soldiers polygraphs as all their stories corroborate one another.
3. I would not say there were numerous inconsistencies in the statements of [REDACTED] AND [REDACTED] but there are some things that need to be cleared up. b64, b7C4 b64, b7C4
 - a. Were pictures taken or not?
 - b. Were the pictures given to [REDACTED]
 - c. Why? b64, b7C4 b64, b7C4
 - d. If so, why did [REDACTED] and [REDACTED] say there were no pictures taken? b64, b7C4
 - e. Did [REDACTED] tell the truth concerning the reason why he had to interrogate the detainees (they had not been interrogated by capturing unit. Which was not true in this case because they had).
 - f. Did they hit the detainees?
4. We will clear up the above reference issues by tracking [REDACTED] and [REDACTED] down and affording the poly's. b64, b7C4
5. I agree there was no effort to do photo line-ups with the detainees to determine who hit them. A year has gone by now and the chances any of the detainees would be able to pick out an abuser from a photo line up is slim. Further, it would be inherently dangerous to send agent's to track these alleged victim's down in this country during the current state of affairs.
6. I don't know but the comment is noted.
7. Interesting comment and it is noted but no action will be taken on it.
8. Another interesting comment that is noted and the reason why I have decided to afford poly's to the CPT and 1SG.

Reopen with a Supl and determine where the CPT [REDACTED] and 1SG [REDACTED] are then send lead to ask a few more questions and offer them a poly.

4. On 15 Mar 04, this office received a Request for Correction (0154-05-CID001) for Case 0239-04-CID259-80309. A review of the statements of SGT [REDACTED] 1SG [REDACTED], CPT [REDACTED], SFC [REDACTED], and Mr. [REDACTED] showed minor differences which must be clarified.

b64, b7C4 As much as this pains me, we will reopen
this on a Supl. We will track down CPT [REDACTED] and 1SG [REDACTED] b64, b7C4 to offer them a poly
concerning the alleged photographs and whether they abused the detainees. I am doing this
because they have some strange inconsistencies in their statements. The other stuff
mentioned was, once again, opinion or not possible at this time.

**DETAINEE ASSESSMENT TASK FORCE
CASE FINDING STATEMENT**

Date Reviewed: 12 Mar 05

Reviewer: [REDACTED] b63, b7C3

Case number: 0293-04-CID259-80309

Offense: Aggravated Assault / Cruelty & Maltreatment

Status: Closed as a Final (C) on 17 Dec 04

FINDINGS OF DATF REVIEW:

1. A lot of good work was done; however, the investigation was not thorough. Significant leads and investigative steps were not completed. It is very clear that the soldiers and translators were emotionally involved in this situation due to the fact that the detainees were suspected of kidnapping and possibly murdering a female translator from 1-8 CAV. The potential for abuse escalated when members of B CO, 1-8 CAV became involved in transporting and interrogating the detainees. This is aggravated even more because the victim's cousin also worked as an interpreter for B CO, 1-8 CAV, although he was not present during the interrogations because he was out searching for his missing cousin.

2. No indication that any of the soldiers involved in the initial apprehension and "tactical questioning" were offered polygraphs to verify their truthfulness.

3. Numerous inconsistencies between the statements of CPT [REDACTED] b64, b7C4, 1SG [REDACTED] b64, b7C4 SFC [REDACTED] b64, b7C4 and Mr. [REDACTED] b64, b7C4

- a. [REDACTED] b64, b7C4 says [REDACTED] b64, b7C4 took pictures of the detainees and explains how the killing of a tribal member can result in revenge. [REDACTED] b64, b7C4 claimed they picked up pictures of the detainees from the BIF and did not take any pictures "ourselves". [REDACTED] b64, b7C4 stated they took pictures of the detainees at the power plant using his digital camera. b64, b7C4
- b. [REDACTED] b64, b7C4 and [REDACTED] b64, b7C4 both claimed they had to do the tactical interrogations before they could turn the detainees over to the DIF because the capturing unit did not do tactical interrogations. This is not only false, but [REDACTED] b64, b7C4 stated he signed for the detainees in-processing packets when he picked up the detainees. 1LT [REDACTED] b64, b7C4 and SSG [REDACTED] b64, b7C4 both provided statements on 23 Jun 04, detailing the circumstances behind the capture of the detainees. These statements were almost certainly included with the detainee packets that [REDACTED] b64, b7C4 acknowledged picking up from the BIF. The agent who questioned the members of B CO, 1-8 CAV recognized that the "tactical questioning" at the power plant was not standard procedure for the unit. [REDACTED] b64, b7C4 also acknowledged that the FRAGO was only to pick-up the detainees and transport them to the DIF, with no directions to interrogate them.

**DETAINEE ASSESSMENT TASK FORCE
CASE FINDING STATEMENT**

4. No indication that [REDACTED] b64,67c4 or the other members of B CO 1-8 CAV were offered polygraphs.
5. No effort to conduct photo line-ups, even though the detainees described some of their alleged assailants.
6. In his statement on 13 Oct 04, Detainee [REDACTED] b64,67c4 alleges that an Iraqi soldier wearing the Us Military uniform was hitting him on his head and side with an AK-47. Was this Mr. [REDACTED] b64,67c4, the Titan interpreter who was working for the capturing unit?
7. 1LT [REDACTED] b64,67c4 describes how two of the Iraqi nationals that assaulted the detainees had translator badges from 1-8 CAV. No indication that we attempted to identify or interview these individuals? Regardless of the situation, they assaulted detainees who were in the custody of coalition forces and should have been titled as subjects.
8. Note that this is the second case of detainee abuse allegations involving CPT [REDACTED] b64,67c4 and 1SG [REDACTED] b64,67c4

RECOMMENDATION: Reopen this investigation and address the aforementioned issues.

Again, I'm sorry about not getting back to you. None of the Detainee's identified [REDACTED] or [REDACTED] or any other soldier by name for that matter. The overall complaint was that while they, the Detainee's, were detained, they were taken to a second "unknown" location. This location has been identified as the Aldura Power Plant. At this location, the Detainee's claim they were abused by unknown soldiers, no names were given, just generic descriptions of Soldiers (ie: tall, short brown hair, blue eyes, clean shaven, etc.). [REDACTED] and his unit were identified by CID through the capture records.

Hope this helps. I'll be here in the office for a little while longer. Let me know if you need anything else.

SA [REDACTED] I have completed the interviews of CPT [REDACTED] and 1SG [REDACTED]. Both provided statements identical to their previous statements. No pictures were taken at the power plant and no abuse occurred. I have coordinated with our polygrapher to conduct the exams, but he said he needs to know what offenses these guys are alleged to have committed. Is it just False Official Statement or did the detainees say who it was that abused them, if so he needs to know what they said. I also have SFC [REDACTED] and SGT [REDACTED] lined up to be interviewed since the CPT and 1SG statements did not change. If you have any questions let me know.

The B Company Commander and First Sergeant were in charge of the detail that picked up the detainees at the 2BCT BIF or "29 Palms". They were already at Camp Victory to participate in a Court Martial for one of their soldiers, and were escorting the BDE JAG as well. Our TOC gave them the VOCO FRAGO to pick up the detainees from the 2BCT BIF and escort them to the 5BCT BIF. The patrol took custody of the detainees, and transported them to the Dora Power Plant. The Dora Power Plant has a permanent security requirement of 1 Platoon. The Platoon had not received their LOGPACK, and the only transport available for the mission was this same convoy. The detainees were escorted to a room in the facility, given water and food, and were under NCO supervision the entire time. The LOGPACK took no more than 1 hour, and since the detainees were suspects in the murder of one of their interpreters, they used the line of questioning to collect the basic information that was also included in sworn statements for processing into the 5BCT BIF. There was constant, uninterrupted NCO supervision of the tactical questioning, and although the detainees were handled firmly as they were segregated for questioning, there was never a breach of unnecessary force. At no time did any member of B/1-8 use inappropriate force on the individuals. When the LOGPACK returned, the B Company Commander expedited their movement and processing into the 5BCT BIF.

My name is SA [REDACTED] b61, b7C. I am assigned to CID here at South Victory, Iraq. I have been tasked with conducting investigation involving allegations of possible detainee abuse. At this time I am investigating a case involving five detainees, who were apprehended at a checkpoint in Baghdad by D 9th Cavalry, on 23 May 04, and subsequently transported to the 29 Palms Internment Facility. The detainees were suspected of kidnapping a family member (female) of one of the 1-8 Cav interpreters. On the second day of their detention, prior to being transported to Camp Ferrin Huggins (FOB FALCON), the detainees alleged they were interrogated and beaten, then taken to a third location (FOB FALCON), until they were transported to Abu Ghraib.

At this point, I am trying to identify the individuals who picked up the detainees at 29 Palms and transported them to an interim location for interrogation. I have identified a paper trail from Baghdad, to 29 Palms, then from Camp Ferrin Huggins to Abu Ghraib, but have not been able to locate specific documents concerning the time in between on 24 MAY 04. CPT [REDACTED] at Camp Ferrin Huggins, related you may be able to provide some insight concerning the 1-8 Cav soldiers who transported and interrogated the detainees.

Any assistance you can provide would be appreciated,

The detainees were identified as the following:

Subject: CID Investigation

Chief,

This is SA [REDACTED] I spoke to you a couple of weeks ago in reference to the five detainees who were apprehended at at checkpoint, and later determined to have kidnapped a female iraqi, a relative of a 1-8 Cav interpreter. I have determined the detainees were apprehended by D 9th Cav, transported to 29 Palms Internment Facility, and the following day were picked up by members of 1-8 Cav (Not further identified as of yet), possibly interrogated by 1-8 Cav assets, then turned over to Camp Ferrin Huggins, about 1830, 24 May 04, which was the day after their initial capture.

I was wondering if you could put me in contact with whoever would conduct interrogations for 1-8 Cav in May 04?

If you could give me a POC I would greatly appreciate it.

I have reviewed the statements made by four of the detainees and they all indicate on 24 Jun 04, day after capture, they were taken to an unknown location, which appears to be right there at 29 Palms. They stated on 25 Jun they were transferred to a third location where they were located for 7-9 days, interrogated several times, during which no abuse was alleged, then transferred to BCCF.

Looks like the abuse occurred here at Camp Victory, but coordination with the interrogators (CW3 [REDACTED] b64, b7C4) indicated they were not interrogated here. We'll have to take a longer look at that, their statements sound more like a beating trying to get them to admit to killing the interpreters daughter, than an interrogation for intelligence purposes.

I do need to confirm the date of transfer from Camp Victory to Camp Ferrin Huggins though. If you could have someone research the 2708's I would much appreciate it.

Thank you again for the assistance.

Is there documentation indicating the time/date the detainees were transported from Camp Ferrin Huggins to Baghdad Central Confinement Facility? I should have the 2708 on the detainees on file. It will take some time to find due to the number detainees that have been processed through our facility

Were these the only interrogations conducted by personnel at Camp Ferrin Huggins? I just sent you the initial interrogations for their biodata. There are more. The interrogator spoke to these guys multiple times.

Does the "reported by (c): 2-23787 identify the individual who interviewed the detainees or just the person who

Chief, attached are the initial SIRs for the detainees that you're speaking of. I can give you a summary of how they were detained. D9 scouts stopped them at a checkpoint due to there being some suspicious activity with the car that all 5 of them were riding in and another car that was carrying an angry couple. From what I

remember, the male from the car with the couple accused (and beat one of) the guys in the other car of murdering his sister and father (1-8 CAV interpreters). Upon searching the vehicle with the 5 guys, a picture of the murdered interpreter was found with an arrow over her head, her camera (which was given to her by a 1-8 CAV soldier), and her sunglasses. D9 transferred the detainees to 5BCT so we could interrogate to find the body of the female. We did find the body (in a shallow grave) in the area where they said that they were "hunting" that day. I think that about sums it up. Let me know if there are any particular details that you need to know. . the gentlemen in the CC line may be able to shed more light on the subject also. My name is SA [REDACTED] b61, b7C I am assigned to CID here at South Victory, Iraq. I have been tasked with conducting investigation involving allegations of possible detainee abuse. At this time I am investigating a case involving five detainees, who were apprehended at a checkpoint in Baghdad by D 9th Cavalry, on 23 May 04, and subsequently transported to the 29 Palms Internment Facility. The detainees were suspected of kidnapping a family member (female) of one of the 1-8 Cav interpreters. On the second day of their detention, prior to being transported to Camp Ferrin Huggins (FOB FALCON), the detainees alleged they were interrogated and beaten, then taken to a third location (FOB FALCON), until they were transported to Abu Ghraib.

At this point, I am trying to identify the individuals who picked up the detainees at 29 Palms and transported them to an interim location for interrogation. I have identified a paper trail from Baghdad, to 29 Palms, then from Camp Ferrin Huggins to Abu Ghraib, but have not been able to locate specific documents concerning the time in between on 24 MAY 04. CPT [REDACTED] b64, b7C at Camp Ferrin Huggins, related you may be able to provide some insight concerning the 1-8 Cav soldiers who transported and interrogated the detainees.

Any assistance you can provide would be appreciated,

The detainees were identified as the following:

SN: [REDACTED] b64, b7C
ISN: [REDACTED] b64, b7C
ISN: [REDACTED] b64, b7C
ISN: [REDACTED] and b64, b7C

The only 2708s that I have in my possession are the one's with our signatures signing the detainees over from the 1-8 CAV patrol. As far as the details of the pick-up, it would be best to ask 1-8 CAV personnel who know the details of the pick-up. I don't know what company from the unit picked the guys up. 1-8 CAV S2, CPT [REDACTED] could probably help you a little more in that area.

I'm going to need to identify whoever signed the detainees over from 1-8 Cav (on the 2708's). Ideally, I would like to obtain a copy of the 2708's themselves. We're getting ready to get into a sticky situation here. These detainees were turned over to 29 Palms, by D 9th Cav soldiers, then picked up the following day by individuals belonging to 1-8 Cav. The sticky part is, the missing/dead girl, was a family member of 1-8 Cav interpreters.

At that time, May 04, was there any specific unit in charge of transporting detainees from 29 Palms to Camp Ferrin Huggins? Or was this an unusual situation?

Any additional information you can provide would be appreciated.

Thank you for the information. I have a couple of more questions, hopefully you will be able to provide answers for.

Is there documentation indicating the time/date the detainees were received at Camp Ferrin Huggins?

Is there documentation indicating the time/date the detainees were transported from Camp Ferring Huggins to Baghdad Central Confinement Facility?

Were these the only interrogations conducted by personnel at Camp Ferrin Huggins?

Does the "reported by (c): 2-23787 identify the individual who interviewed the detainees or just the person who drafted the report or both?

What type of facilities are utilized there at Camp Ferrin Huggins, ie: tents, hard site, wood buildings?

Is the interrogator and interpreter still in Iraq? If not, would you please provide current assignment so a Request For Assistance can be forwarded to the appropriate office for interview.

Thank you again for your assistance,

Chief, attached are the initial SIRs for the detainees that you're speaking of. I can give you a summary of how they were detained. D9 scouts stopped them at a checkpoint due to there being some suspicious activity with the car that all 5 of them were riding in and another car that was carrying an angry couple. From what I remember, the male from the car with the couple accused (and beat one of) the guys in the other car of murdering his sister and father (1-8 CAV interpteters). Upon searching the vehicle with the 5 guys, a picture of the murdered interpreter was found with an arrow over her head, her camera (which was given to her by a 1-8 CAV soldier), and her sunglasses. D9 transferred the detainees to 5BCT so we could interrogate to find the body of the female. We did find the body (in a shallow grave) in the area where they said that they were "hunting" that day. I think that about sums it up. Let me know if there are any particular details that you need to know. The gentlemen in the CC line may be able to shed more light on the subject also. I'll be on stand-by.
