Thanks for the assistance with the statements. I unfortunately have a follow up because we did not draft the questions with enough specificity (as you noted). The following soldiers: PFC [REDACTED], SPC [REDACTED], SGT [REDACTED], PFC [REDACTED], and SPC [REDACTED] all said that [REDACTED] sometimes removed detainees from the holding facility for brief periods of time (5 minutes to one hour) for questioning. What we need to know is: Was the questioning done at [REDACTED] location, such as the interrogation tent, or did they take the detainees back to their [REDACTED]. If you could ask this follow up, and let me know what they said via e-mail, that would be sufficient.

We also need to get sworn statements for LTC [REDACTED], CPT [REDACTED], 1LT [REDACTED], and SP [REDACTED]. We can scan and send you the statements, that we did based on a summary of a recording of the interviews BG Fornica conducted; you can print them, have each person read his, each person can make changes, such as deleting portions or adding information (handwritten is okay) and then they can swear and sign; you can send electronic versions to us and mail the original back to us. Will this process work?

Here are the results of the follow-on questions you asked for.

- B6 PFC [REDACTED] "They were taken to the larger detention cell in the back"
- B6 SPC [REDACTED] "They were always taken to the large detention cell"
- B6 SPC [REDACTED] "I always saw them taken to the large detention cell"
- B6 SPC [REDACTED] "Most of the the time, I saw them take them to the interpreters tent, but sometimes to the large detention cell"
- B6 PFC [REDACTED] is not available as he has been sent to Kuwait for port detail.
- B6 SPC [REDACTED] is not available as he is on EML.
- B6 I added SPC [REDACTED] because he did answer question seven in the positive.

I am getting the other statements together and I think by Saturday we will be able to post them to the server. I'll let you know when I am finished and ready to do this.
