Message: Thanks for passing on the greetings from [redacted]. He actually handled the press for the USA's office at the same time I was handling the media for the Newark division. A good guy. Nice to know where he is these days. Dare I ask why he's calling us? the company having inside problems?

Hoping to take [redacted] to one of the beaches tomorrow - let him see the larger version of the iguana that roam there like prehistoric monsters!

Thank you [redacted] I hope this finds you doing well. I received a call from [redacted] today and he wanted me to extend his regards to you. He was the former USA (or an AUSA) in Newark and knows you from there. He now works as a marketing/public affairs director at Homasote corporation. He invited you to call him [redacted] if you ever get a free moment sometime. I told him you were out of town. I think he just wanted to say hello. Do either of you need anything from here? Take care and say hello to [redacted] for me.

Just thought I'd let you know [Redacted] arrived safe and sound and we're in the midst of his initial tour and handling admin matters.
