No one can figure out how to attach e-mails to an e-mail so I will have to forward each separately. There are a total of four (4): 09/30/2002, 10/02/2002, 10/07/2002, and 10/08/2002; each from [redacted] n response to my initial e-mail which is also included. [redacted]
