[Redacted] was at the Qala-e-Jangi prison facility during the prison uprising against the US Forces, but advised that he did not fight against the US Forces [Redacted] remembered 2 American prisoners. The first American was sitting behind him in a separate line, [Redacted] did not know the name of this individual and was not able to describe this individual. [Redacted] stated that the individual shouted that he was an American and spoke English, however the guards would severely beat anyone who spoke, so nobody answered him. [Redacted] advised that he has not seen this individual since the uprising.

[Redacted] immediately identified Photograph [Redacted] [Redacted] as the man which sat next to him in the prison, although he did not know his name. [Redacted] advised that he remembered the American because he was the only white prisoner that he really saw during his stay, and because he was seated next to this individual during the prison uprising. [Redacted] advised that he was inside of a basement during the uprising, and he didn't remember much from the uprising except gunfire and darkness
