~~Derived from: G-3/Declassify on: X-1 (U)~~

Details: ~~(S)~~(S) (U) On 03/27/2003, at approximately 3:05pm, SA [redacted] (Tampa Division) requested information regarding a tattoo found on an Iraqi POW currently being housed on the USS Comfort. SA [redacted] forwarded a hand sketched copy of the tattoo, via facsimile, to the Iraqi Watch. (attached to original EC). The sketch of the tattoo appears to be an angel with a heart-shaped body. In the heart-shaped body is an "F." The United States Central Command is attempting to determine if the tattoo is common

among the Fedayeen Fighters or any other military group with ties to Iraq.

(U) ~~(S)~~ Limited information is available concerning the POW due to the fact that the POW is being treated for serious injuries and has not been interviewed.

(U) ~~(S)~~ SA [redacted] Tampa Division, telephone number [redacted] [redacted] is currently assigned to the United States Central Command, Tampa, Florida. SA [redacted] requested the Iraqi Watch query pertinent intelligence databases and other sources of information that might aid in identifying the significance of the tattoo found on the Iraqi POW. SSA [redacted] (Iraqi Watch) provided a copy of the tattoo facsimile to [redacted] assigned to the Iraqi Task Force, for appropriate action.
