FYI

Also, [REDACTED] left me a voice-mail message and provided the results of his two interviews. The interview of LS [REDACTED] SF, was negative. According to the message left by [REDACTED] SA [REDACTED] LAFO, reported "one instance of a detainee talking about some type of mistreatment which did not appear to be anything major." [REDACTED] is heading back to DC today and advised he would provide more details upon his return.
