FYI - The prior e-mail advised that the results of the interviews were to be documented on plain, bond paper and would be merged into one EC. In discussions with [redacted] this morning he advised that each interview should be documented using the old insert format. I will let you know of the file number as soon as we receive one. Pls let me know if you have any questions or need anything else. b6 -1

My interviews are complete. No knowledge of any abuse. One had heard about sleep deprivation and isolation used for limited periods of time, but that was it. He did not witness it. Both agents had contact with prison detainees, and saw no signs of abuse. When do you need the paper?
