b2 -3 When I was in the unit in December, I thought we agreed to take everything out of the EC that doesn't
b7E -1 specifically pertain to the "impersonation" issue. All of that other information (including our suggestion
that the detainee was threatened [redacted] is still in there, which I think is totally
inappropriate.

carried the day with his ruse regarding [redacted] Once again, this technique, and all of those
used in these scenarios, was approved by the Dep Sec Def. Additionally, the techniques specifically
called into question in the EC were employed months after, and in a different environment from, the "FBI

I would request that Spike Bowman, or his designee, review this information and provide us with a
definitive opinion before we make an issue of it
