[redacted] Include this in the response to the questions I just sent. Please remember these are going back to the Director so you must have dates, times, places, and people. Don't leave anything unanswered. If some questions do not apply, then they don't apply. If you answer anything, it must be completely answered. Need to get this done today so we can add our info and put it all into one document. -----

It actually was DAD Harrington that specifically requested you speak with General Miller about this. I will document that you thought that was not appropriate and instead met with [redacted]. Do you have the date you met with [redacted] (or at least approximate time frame)? Was there any documentation about your meeting? Thanks

I told [REDACTED] that in the future this type of approach should be strictly coordinated with the FBI, and he agreed. He indicated he was not aware that this instance had not been coordinated with us. This type of situation has not been a problem since, as far as I know.
