Tom,

Allegations first came to my attention late last week from Coalition Provisional Authority (CPA) Inspector General (IG) Stewart Bowen, cellular telephone [redacted] regarding a potential bid rigging/kickback scheme in Iraq [redacted]

b7A -1
b6 -4
b7C -4

[redacted] I advised IG Bowen that immunity cannot be granted by the FBI, but only by DOJ or a United States Attorney's Office, and I would discuss the matter with John Klein, EDVA [redacted]

b7A -1
b6 -4
b7C -4

[redacted] I briefed Klein on the information I received from IG Bowen [redacted]

[redacted] IG Bowen advised that he will probably call [redacted] (a personal friend) and wanted my chain of command as well, including Mr Mason. I believe we are working as expeditiously as possible on this matter given the circumstances (immunity issues), however, you may receive a call from IG Bowen nonetheless. Finally, while the immunity issue is being resolved, EDVA must also research our legal authority [redacted]

b7A -1
b6 -1,4
b7C -1,4

Again, CR-15 is ready to proceed on this case, but there are several legal and administrative issues that must be resolved before we can open a case and start rolling. I will keep everyone advised.

When you say WFO is coordinating with CTS has anything yet been done, or is the meeting Monday the kick off meeting?

Please keep me apprised of these investigations. The questions from congress are coming fast and furious and I need to stay up on the status

Valene,
If you're referring to [redacted] matter re Afghanistan, WFO is coordinating with DOJ/CTS and a briefing of WFO/NVRA Agents [redacted] is scheduled for Monday, 05/24. I spoke to Pat Sullivan, DOJ/CTS, yesterday and he's OK with how things are progressing. I have yet to hear from DOJ/Cnm's Pat Rowan re the prson abuses. He wanted to have a follow-up meeting lawyer to lawyer without FBI presence [redacted] OGC, is aware of this from our meeting at the Pentagon on 05/14)
