Let's not go out to all employees who've been to Iraq just yet, but can we get SA [redacted] to send up the CD?

Ms Caproni-

Attached are copies of the final, approved EC and two of the referenced enclosures. FYI, the last paragraph on page 5 of the EC references information concerning one SA who mentioned he was provided with a CD (presumably by CTD as part of a pre-deployment pkg) which contained photos taken by various FBI personnel during their TDY rotation to the Baghdad Operation Center. In INSD's interview, the SA [redacted] (Houston Division) stated he believed he reviewed all the photos on the CD and did not see any which depicted misconduct or inappropriate behavior by U.S. personnel against detainees.

Chief Inspector [redacted] followed up with CTD on this issue and was informed that CTD did not provide a CD of photos as part of their pre-deployment pkg. Pls advise whether you believe additional follow-up is needed on the issue of photos taken by personnel deployed to Iraq - i.e., do you believe we need to
