I found a site on the internet that has portions of the DoD 56 page "working group" memo that discussed torture. Let me know if you would like a copy of this as well

Folks,

Note that I'm still trolling the internet in hopes of finding the 2002 DOJ memo re use of torture. The package I left for all of you has all the other memos leaked to Newsweek and other media outlets. In Ashcroft's testimony today, he stated that he would not release the policy paper re use of torture techniques for interrogations.
