As we briefly discussed, Congressman Wolf's office has requested our attendance at a press conference this Thursday, May 20th @ 9.00am at the Fairfax County Government Office Complex. The purpose of the press conference is to announce additional funding for gang investigations. Congressman Wolf, Congressman Tom Davis, US Attorney Paul McNulty (EDVA), and the Fairfax County Police Chief will be present. The DEA and US Marshals have also been invited to attend (They have yet to identify their representative-I will let you know when they do)

Please advise if CID can identify someone to attend, or if it should be passed to WFO It's crucial we have a FBI representative

In the event I get more details, I'll let you know

Thanks-

JR
