Gentlemen,

Today, two representatives from the 78th MP Detachment (CID) visited the BOC to advise that a detainee at the Abu Ghurayb Prison alleged o/a 17 June that when he was initially detained in February, he was abused by the detaining unit. The CID representatives produced records indicating that on 04 March 2004, SA [redacted] WFO, "witnessed" the detention of [redacted] an Iraqi civilian suspected of attacks on Coalition forces, inasmuch as SA [redacted] signed a Coalition Provisional Authority Forces Apprehension form indicating he witnessed [redacted] being detained, and he dated it "3/4/04" [redacted] date of detention, according to military records, was either 26 February or 04 March, however [redacted] is alleging abuse during his detention on BIAP in February. Military records indicate the detaining unit as 2/501st MP, however, there is no clear record on what unit initially apprehended [redacted]. Also, a Detainee Tracking form bearing [redacted] name indicates he was apprehended on 26 February 2004, and arrived at the "internment facility" (likely a reference to the Abu Ghurayb Prison since it is referred to as such in other documents) on 11 March 2004.
