I haven't had that conversation yet. Email me that primer EC for reference and I'll address it at my Friday meeting with the General, followed by an EC to the file - Thanks

We had a meeting with TJ Harrington today and he inquired about the outcome of your meeting with DoD (General Miller) regarding [redacted] interrogations in June 2003 where an FBI agent was impersonated. Was that ever resolved? Is there any paper on your meeting we can provide to TJ? He made some comment about finally making an arrest down there :) Thanks
