[redacted] complained about his treatment, the living conditions, and that his leg restraints were too tight. MPs checked the leg restraints and determined they were properly secured. Following the MPs assessment, [redacted] stated he would not speak until the restraints were loosened. [redacted] was given the opportunity to ask the MPs to loosen the restraints, however he refused. The MPs exited the room and the interview commenced.

Throughout the interview, [redacted] continually returned to his mistreatment by MPs. [redacted] cited the promises of previous interrogators as the reason he would not talk or cooperate. [redacted] expanded the previous comment stating previous interrogators told him his case was finished and he would be released soon.

[redacted] was advised that cooperation would be speed his release and that he needed to be truthful to interrogators. [redacted] was confronted with the inconsistencies of his previous stories. [redacted] acknowledged that he provided false accounts in the past, but it was because [redacted] told him to lie to the Americans once he was in our custody. [redacted] did not elaborate which stories were false and which were truthful, however he did say that he has already provided a truthful account.
