AGENT'S NOTE: Once the interview was completed, [redacted] asked the interrogators about sexual assaults he heard about occurring in the camp. [redacted] explained he heard that female interrogators were sexually assaulting the detainees. [redacted] further stated that while he was imprisoned in Bagram, [redacted] He said that during an interrogation he was told that if he did not tell the truth, then "things" would be done to him. He was questioned about UBL and swearing a bayat (oath) to him. [redacted] said he denied that he swore an oath to UBL [redacted]

(S)

[redacted] The following day, he was taken to medical and handcuffed to the bed with a hood over his head. A female came into the room and started to rub her chest on him. She removed his pants and fondled his private with her hand until he was erect. She then raped him. He was told "the next time it will be a man." After this he told the interrogators that he made the oath to UBL. He also started to complain of being tortured in Bagram. It should be noted that [redacted] has been questioned numerous times since arriving at Guantanamo Bay and this is the first time he has mentioned this alleged sexual assault. It is possible that this is an effort on [redacted]'s part to retract his earlier statements regarding his oath to UBL.
