	ISN an Afghan male, was
b6 -1,3,4	interviewed at Guantanamo Bay Naval Station, Guantanamo Bay, Guba.
	Also present during the interview was NCIS Special Agent
b7D -1	and contract linguist
b7F −1	who provided the Pashtu language translation.
	provided the following information:
	provided the rottowing information:
	complained of being mistreated by US forces while in
	detention in Bagram and during his transit to Camp Delta.
	pointed to marks on his wrists that he claimed were caused by the
b6 -4 b7C -4:	shackles. Additionally, claimed that he was upset by having
b7D -1	to wear a hood while in transit and that quards did not respond to
b7F -1	a pain in his ear. Further, alleged that the quards beat him.
	While in transit, informed the translator of his ills and was
	told that a doctor would see him later.
	COTA CHAL A GOCCOL WOULD SEE HIM TALES.
	According to he is innocent of any offense. US forces
	came to his house while he was having a meal with guests. US and
	Afghan military personnel entered his home and started searching.
***	US forces showeda picture of his prother that they had found
6 -4	in his house and asked who it wasadmitted that it was his
>6 -4 >7C -4	brother, and further stated that his brother was out of town.
7D -1	was told that weapons had been found in his house, but
7F -1	countered that they were actually found at his brother's house.
	was extremely upset that he was detained in front of the
l l	female members of his family and stated that he was innocent of any
	Crime.
	later modified his story regarding the weapons and
	admitted that only two weapons were found at this house. One of
	these weapons was a Kalashnikov and the other was a British weapon
b6 -4	that did not work. During this later recant, stated that the
b7C -4	two weapons were used for bird huntingfurther stated that
b7D -1	any additional weapons may be the property of his brother, and that
b7F -1	if there were any weapons, they had been acquired from a Mujahideen
	eight-to-ten years ago that was acquainted with his brother.
	Another theory suggested by was that the weapons may belong a
	village leader, and reiterated that his brother would know the
	provenance of the weapons.
