Hi Richard I'm sorry for being late and missing the lunch. Hop we try to do it again soon, here the information we have about the Egyptian citizen killed in Iraq

Unofficial Translation of a Press Report

According to Elsharq Elawsat Newspaper Published on June 7, an Egyptian national Mr. Mohamed Abd ElMonam El Ezmerly was killed in Iraq while he was in detention.

HUSA

The family of Mr. El Ezmerly, received a body bag number 1909 inside of which was the remains of Mr. El Ezmerly and a death certificate indicating that the death took place as a result of pressure on the brain.

A family member of the deceased person indicated that he has seen him three weeks before his death in his jail and he was in good health. According to medical examination conducted by a doctor hired by the family of the deceased, the cause of death was a broken neck as a result of sudden strike on the back of the head and the report also found bruises over his left eye.
