Case No. 200303827 Segment L0011

Mr. Amrit Singh American Civil Liberties Union Foundation 125 Broad Street, 18th Floor New York, NY 10004-2400

Dear Mr. Singh:

I refer to our previous correspondence regarding the release of certain Department of State material you had requested under the Freedom of Information Act (Title 5 USC Section 552) in your letters of October 7, 2003 and May 25, 2004.

We have retrieved 138 additional documents from the Office of the Legal Adviser that appear responsive to your request, and have grouped them as Segment L0011. After reviewing these documents, we have determined that 22 may be released in full, three may be released with excisions, and 52 must be withheld in full. All released material is enclosed. A decision on 30 documents requires interagency coordination; we will inform you when we receive the results of that coordination. Thirty-one documents originated with other government agencies and have been referred to those agencies for review and direct reply to you.

Material in the excised portions of one of the documents released in part and in 48 of the documents withheld in full is currently and properly classified under Executive Order 12958 in the interest of national defense or foreign relations. As such, it is exempt from release under subsection (b) (1) of the Freedom of Information Act.

Material in one of the documents withheld in full is specifically exempted from disclosure by statute, to wit, the Central Intelligence Agency Act of 1949 (Title 50 USC Section 403g). As such, it is exempt from release under subsection (b)(3) of the Freedom of Information Act.

Information in the excised portions of two of the documents released in part and in 43 of the documents withheld in full is exempt from release under subsection (b)(5) of the Freedom

of Information Act because it is protected by the deliberative process privilege, attorney client privilege, attorney work product privilege, and/or another privilege incorporated by subsection (b)(5).

Material in three of the documents withheld in full is of such a nature that its release would constitute a clearly unwarranted invasion of personal privacy. As such, it is exempt from release under subsection (b)(6) of the Freedom of Information Act.

Material in 10 of the documents withheld in full is information compiled for law enforcement purposes which, if produced, could reasonably be expected to interfere with enforcement proceedings. As such, it is exempt from release under subsection (b) (7) (A) of the Freedom of Information Act.

Material in seven of the documents withheld in full is information compiled for law enforcement purposes which, if produced, could reasonably be expected to constitute an unwarranted invasion of personal privacy. As such, it is exempt from release under subsection (b) (7) (C) of the Freedom of Information Act.

In some cases, two or more exemptions may apply to the same document. In the case of a document released in part, all non-exempt material that is reasonably segregable from the exempt material has been released.

The search of the other files has been completed, and we will let you know as the review of the various segments has been accomplished.

Sincerely, Bolita

for
