Case No. 200303827

Segment L037

DEC 28 2004

Mr. Amrit Singh
American Civil Liberties Union Foundation
125 Broad Street, 18th Floor
New York, NY 10004-2400

Dear Mr. Singh:

I refer to our previous correspondence regarding the release of certain Department of State material you had requested under the Freedom of Information Act (Title 5 USC Section 552) in your letters of October 7, 2003 and May 25, 2004.

We have retrieved 95 additional documents from the Office of the Legal Adviser that we have grouped as Segment L037. After reviewing these documents, we have determined that four may be released in full, two may be released with excisions, and 86 may not be released. The released documents are enclosed. Three documents originated with another government agency and have been referred to that agency for review and direct reply to you.

Material in 29 of the documents withheld in full is currently and properly classified under Executive Order 12958 in the interest of national defense or foreign relations. As such, it is exempt from release under subsection (b)(1) of the Freedom of Information Act.

Information in 83 of the documents withheld in full is exempt from release under subsection (b)(5) of the Freedom of Information Act because it is protected by the deliberative process privilege, attorney client privilege, attorney work product privilege, and/or another privilege incorporated by subsection (b)(5).

Material in the excised portions of the two documents released in part is of such a nature that its release would constitute a clearly unwarranted invasion of personal privacy. As such, it is exempt from release under subsection (b)(6) of the Freedom of Information Act.

Material in one of the documents withheld in full is information compiled for law enforcement purposes which, if produced, could reasonably be expected to interfere with enforcement proceedings. As such, it is exempt from release under subsection (b) (7) (A) of the Freedom of Information Act.

In some cases, two or more exemptions apply to the same document. In the case of a document released in part, all non-exempt material that is reasonably segregable from the exempt material has been released.

Sincerely,

Margaret P. Grafeld
Director
Office of Information Programs
and Services
