Subject: RE: TQs on MEK

RELEASED IN PART

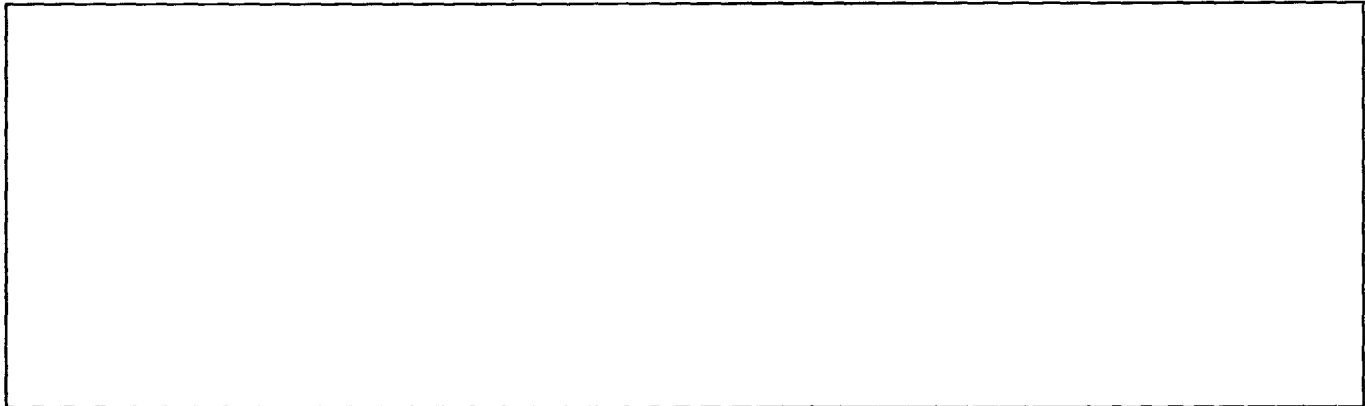

B5, B7(A)

ok, but today's guidance did say "protected person status means that an individual is entitled to protections of the Convention." If I'd been thinking, I would have asked what protections apply. Instead the journalists did. Either way, you'll get me something in the form of guidance tomorrow. thanks.

NEA/NGA:

Did the U.S. have anything to do with Iraq lifting restriction on its citizens being able to have an Israeli stamp on

UNCLASSIFIED

their passports.

Subject: 07-26-04 Taken Questions from Daily Press Briefing

FOR POSTING:

NEA: What rights are now afforded the MEK given that they have been granted "protective person" status under the Geneva Conventions?

PM: Today, the removal of sanctions on the South African defense company, Fuchs, was announced. Why was it left off last week's list?

EUR: What is U.S. policy on the Ohrid Agreement? How does it relate to issue of giving Albanian language rights to Albanian minority in Macedonia?

SA: Has the Government of Bangladesh requested U.S. aid for flood victims?

AS GUIDANCE:

EUR: Does Alex Rondos work for the U.S. embassy in Athens?

NEA: Did the U.S. have anything to do with Iraq lifting restriction on its citizens being able to have an Israeli stamp on their passports.

Today's Duty Officer is Brenda Greenberg.
