RELEASED IN FULL

PDAS Michele Sison clears for the SA Bureau with the following suggestions.

In the second para fourth line: PDAS Sison believes that Khaled is spelled with an i (Khalid) and in the last line of the memo Sharin is spelled with an i (Shirin). You may want to check on those spellings.

Thanks,

Importance: High

Dear Colleagues:

Please clear on the attached memo to S **by COB today, Tuesday, March 30**, about concerns recently raised by the International Committee of the Red Cross about US detention practices in Afghanistan and elsewhere.

SA Colleagues: I am not sure if PDAS Sison would prefer to clear this memo directly, as it mentions briefly her meeting, or pass it to someone else in SA to clear.

Thank you.
