Case No. 200303827
Segment L25

Dear Ms. Singh:

I refer to our letter dated December 28, 2004, regarding the release of certain Department of State material under the Freedom of Information Act (Title 5 USC Section 552).

In the case of Segment L25, further coordination was required before decisions could be made as to the release of two documents previously retrieved in response to your request. Coordination has now been completed for both of them and we find that one may be released in full and one may be released with excisions. Copies of the released documents are enclosed.

The material in the excised portions of the document released in part is of such a nature that its release would constitute a clearly unwarranted invasion of personal privacy. As such, it is exempt from release under subsection (b)(6) of the Freedom of Information Act.

In the case of a document released in part, all non-exempt

material that is reasonably segregable from the exempt material has been released.

Sincerely,

for

Margaret P. Grafeld
