New York, New York 10004-2400

Dear Ms. Singh:

I refer to our letter dated December 17, 2004, regarding the release of certain Department of State material under the Freedom of Information Act (Title 5 USC Section 552).

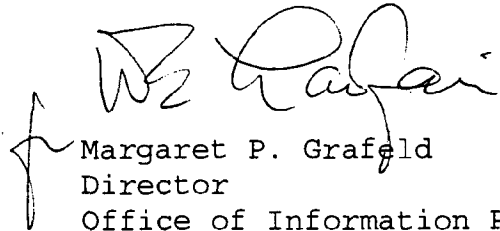

As you may recall, further coordination was required before a decision could be made as to the release of two of the documents previously retrieved in response to your request. The coordination has now been completed for both of them and we find that both may not be released.

Material in both of the documents withheld in full is currently and properly classified under Executive Order 12958 in the interest of national defense or foreign relations. As such, it is exempt from release under subsection (b)(1) of the Freedom of Information Act.

Information in both of the documents withheld in full is exempt from release under subsection (b)(5) of the Freedom of Information Act because it is protected by the deliberative process privilege, attorney client privilege, attorney work product privilege, and/or another privilege incorporated by subsection (b)(5).

In some cases, two or more exemptions apply to the same document.

Sincerely,

A handwritten signature in black ink, appearing to read "Margaret P. Grafeld". The signature is written in a cursive style with a large initial "M" and "G".
