PRESIDENT: Khalid Sheikh Muhammad, you may now make an oral statement to the Tribunal, and you have the assistance of your Personal Representative in doing so. Do you wish to make an oral statement to this Tribunal?

DETAINEE: He will start, the Personal Representative; PR will read then later I will comment.

PRESIDENT: Very well, you may proceed.

RECORDER: Sir, would you hold one moment?

PRESIDENT: Yes

RECORDER: Ah, before the Detainee makes a statement, ah, I'd like to ah.

PRESIDENT: Question of the oath?

RECORDER: Ah, no sir.

RECORDER: Concerning classified evidence.

PRESIDENT: Very well.

PRESIDENT: Do you have any further evidence to present at this time. Recorder?

RECORDER: Mr. President, I have no further unclassified evidence for the Tribunal but I respectfully request a closed Tribunal session at an appropriate time to present classified evidence relevant to this Detainee's status as an enemy combatant.

PRESIDENT: Very well, your request for a closed session is granted and will be taken up in due course.

PRESIDENT: You may proceed, PR.

PERSONAL

REPRESENTATIVE: The Detainee responds to the unclassified summary of evidence with the following key points.

PERSONAL

REPRESENTATIVE: "Some paragraphs under paragraph number 3, lead sentence are not related to the context or meaning of the aforementioned lead sentence. For example, paragraph 3-a is only information from news or a historical account of events on 11 September 2001, and note with no specific linkage being made in this

paragraph to me or the definition of Enemy Combatant. As another example, sub-paragraph 3-n makes no linkage to me or to the definition of Enemy Combatant."

DETAINEE: Are they following along?

PERSONAL

REPRESENTATIVE: Ah, they they have that in front of them for reference.

PRESIDENT: Yes.

DETAINEE: Okay.

PERSONAL

REPRESENTATIVE: Second main point: "There are two false statements in the Summary of Evidence. Sub-paragraph 3-c is false. I never stated to the Al Jazeera reporter that I was the head of the al Qaida military committee. Also, sub-paragraph 3-s is false. I did not receive any funds from Kuwait."

PERSONAL

REPRESENTATIVE: Point number 3. "There is an unfair 'stacking of evidence' in the way the Summary of Evidence is structured. In other words, there are several sub-paragraphs under parent-paragraph 3 which should be combined into one sub-paragraph to avoid creating the false perception that there are more allegations or statements against me specifically than there actually are. For example, sub-paragraphs 3-m through 3-o, which pertain to the *hajinka* plot should be combined into one paragraph, as should paragraphs 3-a through 3-h, which pertain to 9/11."

PERSONAL

REPRESENTATIVE: Lastly, my name is misspelled in the Summary of Evidence. It should be S-h-a-i-k-h or S-h-e-i-k-h, but not S-h-a-y-k-h, as it is in the subject line.

PRESIDENT: Would you like to add anything to that, Khalid Sheikh Muhammad?

PERSONAL

REPRESENTATIVE: Final statement.

DETAINEE: No, I just want to ask about witnesses.

PRESIDENT: Okay, ah, let's finish with these then I will get to the witnesses.

DETAINEE: Okay.

PRESIDENT: Try to keep it in order.

PRESIDENT: You want to continue, PR? Do you have have another statement?

PERSONAL

REPRESENTATIVE: That concludes this Detainee's response to the, ah, unclassified summary of evidence, sir.

PRESIDENT: Oh.

CALLING OF WITNESSES

PRESIDENT: We will now allow for the calling of witnesses. All witnesses called before this Tribunal may be questioned by the Detainee if present, the Personal Representative, the Recorder, and the Tribunal Members

PRESIDENT: Does the Recorder have any witnesses to present?

RECORDER: No, sir.

PRESIDENT: Alright.

PRESIDENT: From the Detainee Election Form and I was informed earlier that the Detainee requested the presence of two witnesses to testify here today. Ramzi bin al-Shibh and Mustafa Hawsawi. The Detainee believes the witnesses can provide testimony related to the Detainee's actions specified in the unclassified summary of the evidence.

PRESIDENT: I have had the opportunity to review the request for witnesses and I have made some findings and I'm going to place them on the record now and when I conclude that, Khalid Sheikh Muhammad, you may respond to that if you'd like.

PRESIDENT: First the request for Ramzi bin al-Shibh, the proffer of the testimony from the Detainee was that Ramzi is alleged to have been present during the al Jazeera interview in June 2002 during which it is said the Detainee claimed to be head of al Qaida Military Committee. The Detainee claims he never stated that, to be the head of the Military Committee, during the interview and states that Ramzi, if called, can confirm this.

PRESIDENT: This witness is not relevant in the President's view for the following reasons. In the totality of the circumstances and given the nature and quality of the other unclassified evidence, the Detainee's alleged statements as reported in al Jazeera

are of limited value and negligible relevancy to the issue of combatant status. As such, any corroboration or contradiction by the proffered witness is not relevant. The creditability determinations with regard to R-2, which is the al Jazeera article, can be made by the Tribunal without the proffered testimony. As such, the Detainee's request for the production of that witness is denied.

PRESIDENT: As to the request for Mustafa Hawsawi, ah, it is proffered that Hawsawi, if called, could testify that the computer/hard drive referenced in the unclassified summary was not this Detainee's property and that the place of the Detainee's capture was not the house of the Detainee. In the President's view this testimony is not relevant to the issues regarding the Detainee's capture or his combatant status for the following reasons.

PRESIDENT: Whether the Detainee had actual legal title or ownership of the computer/hard drive or the house where the capture took place is irrelevant to the determination of the Detainee's status as an enemy combatant. Based on the proffer, if true, Hawsawi's testimony will not provide relevant information. The issue of ownership, while of some interest, is not relevant to status. What is relevant is possession, usage, connection and presence. Hawsawi's testimony will not speak to any relevant information in regard to such points. As such, the request for the production of that witness is denied.

PRESIDENT: If you would like to respond to that, I'll hear you.

DETAINEE: Most of these facts which be written are related to this hard drive. And more than eleven of these facts are related to this computer. Other things are which is very old even nobody can bring any witnesses for that as you written here if it will be ah a value for you for the witness near by you will do it. This computer is not for me. Is for Hawsawi himself. So I'm saying I need Hawsawi because me and him we both been arrested day. Same way. So this computer is from him long time. And also the problem we are not in court and we are not judge and he is not my lawyer but the procedure has been written reported and the way has mostly as certain charged against me; tell him, [Arabic Phrase].

TRANSLATOR: [Translating] They are only accusations.

DETAINEE: So accusations. And the accusations, they are as you put for yourself ah definition for enemy combatant there are also many definitions for that accusation of fact or charges that has been written for any ah. [Arabic Phrase]

TRANSLATOR: [Translating] Person is accused.

DETAINEE: So, if I been accused then if you want to put facts against me also the definition for these facts. If you now read number N now what is written the *bojinka* plot. Is known many lead investigation it is not related to anything facts to be against me. So when I said computer hard drive/ hard disk, same thing. All these point only one witness he can say yes or not cause he is this computer is under his possession him computer. And also specifically if he said Mohammad Atta picture been this hard drive. I don't think this should accepted. There are many 100 thousand Americans who have a lot of picture on their computer. You cannot say I find Muhammad Atta on your computer then you use this fact against you. Or you find any files in your computer to be what about it's mine, it's not my computer. If this witness, he will state that this known and here that has been ninety percent of what is written is wrong. And for Ramzi, for reporter in Jazeera, he claimed that I state this one and you know the media man. How they are fashionable. What they mean in their own way in a whole different way. They just wrote it so he say I state. But I never stated and I don't have any witnesses and witness are available here at Guantanamo. He is Detainee. He was with me. Which he been mostly in all my interview with him. Me and them, there was three person, me and Ramzi and this reporter. So if you not believe me, not believe him, believe my witness Ramzi. Then he's what he state the reporter most is false. I not denying that I'm not an enemy combatant about this war but I'm denying the report. It not being written in the proper way. Which is really facts and mostly just being gathered many information. General information that form in way of doing, to use in facts against me.

PRESIDENT: I have heard and understood your argument. In order for me to make my determinations regarding the production of witnesses I first have to believe that they are relevant for the reasons that I have stated. For the reasons I have stated, I do not believe they are relevant. Whether or not they may be available here on Guantanamo, is a second decision to be made, but only if I decide they are relevant. I have heard your arguments. I noted them. However, my ruling stands.

PRESIDENT: The Recorder has no witnesses, is that my understanding?

RECORDER: No, sir.

PRESIDENT: And there are no other approved witnesses to taken up. Ah, we will take a brief moment to review the unclassified evidence that we received so far and then we will pick back up in the proceeding.

MEMBER: If I might ask a question real quick of the PR. This is the entire translation of the hand written notes?

PERSONAL

MEMBER: Type from Linguist's translations. Okay.

PRESIDENT: Khalid Sheikh Muhammad, I did not offer you an oath early because I was informed by the Personal Representative that you would be making some statement later on in these proceedings relevant to the truthfulness of your comments. So, if you would like to take an oath I would administer one to you but I did understand that you going to make a statement.

DETAINEE: In the final statement, I will explain why then.

PRESIDENT: Alright.

PRESIDENT: Let me take up a few things that have come up as based on my review of these documents that have been provided to us so far. D-d, appears to be a written statement regarding certain treatment that you claim to have received at the hands of agents of the United States government as you indicated from the time of your capture in 2003 up until before coming here to Guantanamo in September 2006.

PRESIDENT: Is that correct?

DETAINEE: Yes.

PRESIDENT: Alright.

PRESIDENT: Now, I haven't seen any statements in the evidence we receive so far that claim to come from you other than acknowledging whether you were or not the head of the Military Committee. Were any statements that you made as the result of any of the treatment that you received during that time frame from 2003 to 2006? Did you make those statements because of the treatment you receive from these people?

DETAINEE: Statement for whom?

(b)(1)

PRESIDENT: To any of these interrogators.

(b)(3) NatSecAct

DETAINEE: CIA peoples. Yes. At the beginning when they transferred me to After they shifted me to the man who was torturing me he spent long time with me. He stayed with me two years. Later we became friends and I told him about all these procedures against American constitution law. This what I understand he told me: you are not American and you are not on American soil. So you cannot ask about the Constitution.

TRANSLATOR: I will translate in Arabic.

PRESIDENT: Yes.

DETAINEE: I ah cannot remember now because three years daily asking question. I be under questioning so many statement which been some of them I make up stories just location UBL. Where is he? I don't know. Then he torture me. Then I said yes, he is in this area or this is al Qaida which I don't him. I said no, they torture me. Does he know you? I say don't him but how come he know you. I told him I'm senior man. Many people they know me which I don't them. I ask him even if he knew George Bush. He said, yes I do. He don't know you that not means its false. Then finally I said yes I know him. Took me more then twelve persons. I said yes I know him. Which I don't him the some more. The procedure they were given me picture for peoples which were in
I mean CIA camps with Detainee. In the beginning almost the four month hard time this time I. But later they did same thing because I transferred hard time then even I not remember the pictures. I said yes or not. This I said.

PRESIDENT: Alright, I understand.

PRESIDENT: Is there anything you would like to correct, amend, modify or explain to us from what you said back then?

DETAINEE: I want to just it is not related enemy combatant but I'm saying for you to be careful with people. That you have classified and unclassified facts. My opinion to be fair with people. Because when I say, I will not regret when I say I'm enemy combatant. I did or not I know there are other but there are many Detainees which you receive classified against them maybe, maybe not take away from me for many Detainees false witnesses. This only advice.

PRESIDENT: So you are aware that other...

So, unclassified which is both classified and unclassified so this is you know him you don't know him. You have to be fair with people. There are many many people which they have never been part of the Taliban. Afghanistan there have been many people arrested for example people who have been arrested after October 2001 after make attack against Afghanistan many of them just arrive after they don't what has happen. When Russian came to Afghanistan they felt they went back but they did anything with Taliban and al Qaida then came after that. I don't know why it was younger people same thing for Afghanis people they show Afghanis people. I will give example one. His name is Sayed Habib. This I remember. Him they found his name in my notes and I told them this note is old note and have people which even before al Qaida I know. And he is not. He is one of my students and the Russian times and I don't know him. Then they show me his picture. He had been stripped and hanged and they said this man he said Habib. I told he is not al Qaida. After six months they show his picture again. They ask do you know him. did not release him. Then they told me he states he never saw you from ninety four. I said that is right. I never met him after ninety four. This one is example. Many people they show pictures which face I know but don't them because I was under pressure. Then I said yes.

PRESIDENT: Alright.

PRESIDENT: Now what.

DETAINEE: For me nothing which was recorded. For which is written here is not related

PRESIDENT: I understand.

PRESIDENT: I do note that in one of the exhibits you indicate you are not under any pressure or duress today. Is that correct?

DETAINEE: That is about I'm hearing today. Yes.

PRESIDENT: So anything.

DETAINEE: Some of this information, I not state it to them.

PRESIDENT: Alright. Before you proceed, Khalid Sheikh Muhammad, the statement that was just read by the Personal Representative, were those your words?

BEGIN DETAINEE ORAL STATEMENT

DETAINEE: Yes. And I want to add some of this one just for some verification. It like some operations before I join al Qaida. Before I remember al Qaida which is related to *Bojinka Operation* I went to destination involve to us in 94, 95. Some Operations which means out of al Qaida. It's like beheading Daniel Pearl. It's not related to al Qaida. It was shared in Pakistani. Other group, Mujahadeen. The story of Daniel Pearl, because he stated for the Pakistanis, group that he was working with the both. His mission was in Pakistan to track about Richard Reed trip to Israel. Richard Reed, do you have trip? You send it Israel to make set for targets in Israel. His mission in Pakistan from Israeli intelligence, Mosad, to make interview to ask about when he was there. Also, he mention to them he was both.

He have relation with CIA people and were the Mosad. But he was not related to al Qaida at all or UBL. It is related to the Pakistan Mujahadeen group. Other operations mostly are some word I'm not accurate in saying. I'm responsible but if you read the heading history. The line there [Indicating to Personal Representative a place or Exhibit D-c].

PERSONAL

REPRESENTATIVE: [Reading] "Also, hereby admit and affirm without duress that I was a responsible participant, principle planner, trainer, financier."

DETAINEE: For this is not necessary as I responsible, responsible. But with in these things responsible participant in finances.

PRESIDENT: I understand. I want to be clear, though, is you that were the author of that document.

DETAINEE: That's right.

PRESIDENT: That it is true?

DETAINEE: That's true.

PRESIDENT: Alright. You may continue with your statement.

DETAINEE: Okay. I start in Arabic.

PRESIDENT: Please.

DETAINEE

DETAINEE: For this verse, I not take the oath. Take an oath is a part of your Tribunal and I'll not accept it. To be or accept the Tribunal as to be, I'll accept it. That I'm accepting American constitution, American law or whatever you are doing here. This is why religiously I cannot accept anything you do. Just to explain for this one, does not mean I'm not saying that I'm lying. When I not take oath does not mean I'm lying. You know very well peoples take oath and they will lie. You know the President he did this before he just makes his oath and he lied. So sometimes when I'm not making oath does not mean I'm lying.

PRESIDENT: I understand.

DETAINEE: Second thing. When I wrote this thing, I mean, the PR he told me that President may stop you at anytime and he don't like big mouth nor you to talk too much. To be within subject. So, I will try to be within the enemy combatant subject

PRESIDENT: You can say whatever you'd like to say so long as it's relevant to what we are discussing here today.

DETAINEE: Okay, thanks.

DETAINEE: What I wrote here, is not I'm making myself hero, when I said I was responsible for this or that. But you are military man. You know very well there are language for any war. So, there are, we are when I admitting these things I'm not saying I'm not did it. I did it but this the language of any war. If America they want to invade Iraq they will not send for Saddam roses or kisses they send for a bombardment. This is the best way if I want. If I'm fighting for anybody admit to them I'm American enemies. For sure, I'm American enemies. Usama bin Laden, he did his best press conference in American media. Mr. John Miller he been there when he made declaration against Jihad, against America. And he said it is not no need for me now to make explanation of what he said but mostly he said about American military presence in Arabian peninsula and aiding Israel and many things. So when we made any war against America we are jackals fighting in the nights. I consider myself, for what you are doing, a religious thing as you consider us fundamentalist. So, we derive from religious leading that we consider we and George Washington doing same thing. As consider George Washington as hero. Muslims many of them are considering Usama bin Laden. He is doing same thing. He is just fighting. He needs his independence. Even we think that, or not me only. Many Muslims, that al Qaida or Taliban they are doing. They have been oppressed by America. This is the feeling of the prophet. So when we say we are enemy combatant, that right. We are. But I'm asking you again to be fair with many Detainees which are not enemy combatant. Because many of them have been unjustly arrested. Many, not one or two or three. Cause the definition you which wrote even from my view it is not fair. Because if I was in the first Jihad times Russia. So I have to be Russian enemy. But America supported me in this because I'm their alliances when I was fighting Russia. Same job I'm doing. I'm fighting. I was fighting there Russia now I'm fighting America. So, many people who been in Afghanistan never live. Afghanistan stay in but they not share Taliban or al Qaida. They been Russian time and they cannot go back to their home with their corrupted government. They stayed there and when America invaded Afghanistan parliament. They had been arrest. They never have been with Taliban or the others. So many people consider them as enemy but they are not. Because definitions are very wide definition so people

they came after October of 2002, 2001. When America invaded Afghanistan, they just arrive in Afghanistan cause they hear there enemy. They don't know what it means al Qaida or Usama bin Laden or Taliban. They don't care about these things. They heard they were enemy in Afghanistan they just arrived. As they heard first time Russian invade Afghanistan. They arrive they fought when back than they came. They don't know what's going on and Taliban they been head of government. You consider me even Taliban even the president of whole government. Many people they join Taliban because they are the government. When Karzai they came they join Karzai when come they join whatever public they don't know what is going on. So, many Taliban fight even the be fighters because they just because public. The government is Taliban then until now CIA don't have exactly definition well who is Taliban, who is al Qaida. Your Tribunal now are discussing he is enemy or not and that is one of your jobs. So this is why you find many Afghanis people, Pakistanis people even, they don't know what going on they just hear they are fighting and they help Muslim in Afghanistan. Then what. There are some infidels which they came here and they have to help them. But then there weren't any intend to do anything against America. Taliban themselves between Taliban they said Afghanistan which they never again against 9/11 operation. The rejection between senior of Taliban of what al Qaida are doing. Many of Taliban rejected what they are doing. Even many Taliban, they not agree about why we are in Afghanistan. Some of them they have been with us. Taliban never in their life at all before America invade them the intend to do anything against America. They never been with al Qaida. Does not mean we are here as American now. They gave political asylum for many countries. They gave for Chinese oppositions or a North Korean but that does not mean they are with them same thing many of Taliban. They harbor us as al Qaida does not mean we are together. So, this is why I'm asking you to be fair with Afghanis and Pakistanis and many Arabs which been in Afghanistan. Many of them been unjustly. The funny story they been Sunni government they sent some spies to assassinate UBI. then we arrested them sent them to Afghanistan/Taliban. Taliban put them into prison. Americans they came and arrest them as enemy combatant. They brought them here. So, even if they are my enemy but not fair to be there with me. This is what I'm saying. The way of the war, you know, very well, any country waging war against their enemy the language of the war are killing. If man and woman they be together as a marriage that is up to the kids, children. But if you and me, two nations, will be together in war the others are victims. This is the way of the language. You know 40 million people were killed in World War One. Ten million kill in World War. You know that two million four hundred thousand be killed in the Korean War. So this language of the war. Any people who, when Usama bin Laden say I'm waging war because such such reason, now he declared it. But when you said I'm terrorist, I think it is deceiving peoples. Terrorists, enemy combatant. All these definitions as CIA

you can make whatever you want. Now, you told me when I ask about the witnesses, I'm not convinced that this related to the matter. It is up to you. Maybe I'm convinced but your are head and he [gesturing to Personal Representative] is not responsible, the other, because your are head of the committee. So, finally it's your war but the problem is no definitions of many words. It would be widely definite that many people be oppressed. Because war, for sure, there will be victims. When I said I'm not happy that three thousand been killed in America. I feel sorry even. I don't like to kill children and the kids. Never Islam are, give me green light to kill peoples. Killing, as in the Christianity, Jews, and Islam, are prohibited. But there are exception of rule when you are killing people in Iraq. You said we have to do it. We don't like Saddam. But this is the way to deal with Saddam. Same thing you are saying. Same language you use. I use. When you are invading two- thirds of Mexican, you call your war manifest destiny. It up to you to call it what you want. But other side are calling you oppressors. If now George Washington. If now we were living in the Revolutionary War and George Washington he being arrested through Britain. For sure he, they would consider him enemy combatant. But American they consider him as hero. This right the any Revolutionary War they will be as George Washington or Britain. So we are considered American Army bases which we have from seventies in Iraq. Also, in the Saudi Arabian, Kuwait, Qatar, and Bahrain. This is kind of invasion, but I'm not here to convince you. Is not or not but mostly speech is ask you to be fair with people. I'm don't have anything to say that I'm not enemy. This is why the language of any war in the world is killing. I mean the language of the war is victims. I don't like to kill people. I feel very sorry they been killed kids in 9/11. What I will do? This is the language. Sometime I want to make great awakening between American to stop foreign policy in our land. I know American people are torturing us from seventies. This is you see [Detainee hold out wrists] I have been tortured by CIA. Nobody will believe me. If I say here or there the hang me, strip, for three months. I know they talking about human rights. And I know it is against American Constitution, against American laws. But they said every law, they have exceptions, this is your bad luck you been part of the exception of our laws. They got have something to convince me but we are doing same language. But we are saying we have Sharia law, but we have Koran. What is enemy combatant in my language?

DETAINEE

(through translator): Allah forbids you not with regards to those who fight you not for your faith nor drive you out of your homes from dealing kindly and justly with them. For Allah love those who are just. There is one more sentence. Allah only forbids you with regards to those who fight you for your faith and drive you out of your homes and

support others in driving you out from turning to them for friendship and protection. It is such as turn to them in these circumstances that do wrong.

DETAINEE: So we are driving from whatever deed we do we ask about Koran or Hadith. We are not making up for us laws. When we need Fatwa from the religious we have to go back to see what they said scholar. To see what they said yes or not. Killing is prohibited in all what you call the people of the book, Jews, Judaism, Christianity, and Islam. You know the Ten Commandments very well. The Ten Commandments are shared between all of us. We all are serving one God. Then now kill you know it very well. But war language also we have language for the war. You have to kill. But you have to care if unintentionally or intentionally target if I have if I'm not at the Pentagon. I consider it is okay. If I target now when we target in USA we choose them military target, economical, and political. So, war central victims mostly means economical target. So if now American they know UBL. He is in this house they don't care about his kids and his. They will just bombard it. They will kill all of them and they did it. They kill wife of Dr. Ayman Zawahiri and his two daughters and his son in one bombardment. They receive a report that is his house bc. He had not been there. They killed them. They arrested my kids intentionally. They are kids. They been arrested for four months they had been abused. So, for me I have patience. I know I'm not talk about what's come to me. The American have human right. So, enemy combatant itself, it flexible word. So I think God knows that many who been arrested, they been unjustly arrested. Otherwise, military throughout history know very well. They don't war will never stop. War start from Adam when Cain he killed Abel until now. It's never gonna stop killing of people. This is the way of the language. American start the Revolutionary War then they starts the Mexican then Spanish War then World War One, World War Two. You read the history. You know never stopping war. This is life. But if who is enemy combatant and who is not? Finally, I finish statement. I'm asking you to be fair with other people.

PRESIDENT: Does that conclude your statement, Khalid Sheikh Muhammad?

(b)(3) NatSecAct everything in the house—even the curtains and the salt in the kitchen. They arrested my
two kids (i.e., Hamza, who is 10 years old, and Zaid, who is eight years old). They were
held for five months. They used them as bait so that I would turn myself in. I rejected to
(b)(1) do that. Then I asked if they would release my children and they
(b)(3) NatSecAct said it was decision to make, not theirs. After five months, the kids were
released. They dropped them off at a mosque/religious school."
2. "On 1 March 2003 at 3 a.m., they raided a house in Rawalpindi, Pakistan, which was not
(b)(1) my house. Me and two of my kids (i.e., Jalal, who is six years old, and Ibrahim, who is
(b)(3) NatSecAct five years old) and Hawsawi were all arrested by At the first night,
man started to hit and punch me and threatened to torture my kids if I did not tell him
where Usama bin Laden was. Then, he transferred me to the next room and then I started
to hear my kids crying. The same man came back to tell me that I could stop what I'm

'Where is Usama bin Laden?' Every time I said I did not know, they tortured me by
dripping very cold water on my head while I was naked. Then they took me to another
room and hung me from my hands and poured cold water on me while I was hanging.
From time to time a Doctor came and checked my pulse. By the fourth day, I was not fed
solid food—only Ensure. When I rejected to drink the Ensure, they force-fed me through
the rectum; then I got diarrhea. There was no bathroom—only a bucket. And every time
I had to go to the bathroom, they would take me down, let me go, and then hang me back
up. All of this deprived me of sleep and every time I would fall asleep, the Guards would
throw cold water on me. Two interrogators were female CIA and talked to me while I
was naked, and I believe the CIA installed speakers in my cell where I was hanging and
they played loud music. The only time the music stopped was when I was interrogated."
5. "Then they took me to a third country. I suspect it was Before departing for the
third country, a Doctor gave me a pill which I swallowed, which sedated me for the

whole trip. In this new location, they put me in a location underground. The guards were wearing black head to toe, and then three people in black came in, but I could see their faces and the guards were also in the room. The three men tortured me. They wanted to know where and when the next operation in the U.S.A. would happen. They used the same method of torture—I was naked, but they used a hose instead of a bucket. They moved me from time to time to a room where they laid me on a bed, tied me to it with belts, covered my face with a towel while naked, and they kept pouring water on the towel over my face so I couldn't breath. Then, when I got hysterical, I started trying to break free from the hand cuffs. They would turn a handle to make the bed stand vertical immediately so my feet wouldn't touch the ground. This movement made me burp a lot to purge the water I swallowed. They did this three or four times and the doctor stopped them to take my pulse. Then, they took me back to the room where I was hung and they laid me down on the floor and tied my feet and arms to the floor for about 15 minutes, then they hung me back from my arms from the ceiling. This went on for about a month. This left scars on both my wrists."

6. "Then I started talking to them when they realized that I did not know where UBL was and that their information was wrong. Then they transferred me to another room naked. They released my hand cuffs but not my feet cuffs. My feet were not freed until about two and ½ years later."
7. "Then on September 2003, they transferred me to another country—I believe in In this country, they kept our clothes on, but our feet shackled. The rooms were about four feet wide by nine feet long. The walls were ceramic, there was a hook in the ceiling and two hooks on the floor, and there was a drain in the floor. From time to time, I would hear other detainees screaming. And now I believe there was no more military people handling me—only CIA. The only time I ever was handled by Military people was at and the Military never tortured us—only CIA tortured us. I stayed at this location until October 2005. During this time, I was interrogated daily by different people from Washington under threat. The threat was: 'If we think you're lying to us, you're going back to the torture room.' Every interrogator that talked to me had three muscled men dressed in black from head to toe. All this time, I never once saw the sun or daylight. They intentionally gave us the wrong times for prayer."

Mr President and members of the board. Upon review of the documents, I identify the following items.

(b)(1)
(b)(3) NatSecAct

1. ~~(TS~~ ~~NF)~~ Exhibit R-10 is used to support paragraph i of the unclassified summary. According to Exhibit R-2 Gunawan went to "military training" in June or July 2000, and June 2001 at Camp Al Faruq, Afghanistan that included "training in explosives". Exhibit R-10 states that Gunawan first met "Bashir" in June 2001 in Qandahar, Afghanistan. It also states that Gunawan lived with Bashir for the "duration of the basic explosive training course." However, Gunawan had basic explosive training in June or July 2000 not June 2001.
2. ~~(TS~~ ~~NF)~~ Masran and Bashir were roommates in November 2001. According to Exhibit R-8, Masran was not identified as a leader of a suicide team until July or August 2002. There is no indication that he contacted the other identified members of the team.
3. ~~(S/NF)~~ Exhibit R-7 mentions an al Qaida suicide plan for late 2001 to attack the tallest building in California without identifying the Detainee as part of this plan
