around his eyes. He also related, after being dragged from the building, he was kicked in his left shin, which he suspected was done by an English speaking person. He made this assumption based on the fact one of the English speaking men was near him.

During his medical examination, Mr. [REDACTED] related he was struck in the head with the butt of a rifle and kicked in the shin, both six days prior. The examination revealed slight abrasions to his wrist, which were caused by the flexi cuffs, and swelling to his mid-shin area. However, the examining did not reveal any head trauma, which led the examining physician to the conclusion that Mr. [REDACTED] was never struck in the head, if he was hit only six days prior as he alleged. **b7C-4,66-4**

Additional investigation determined CPT [REDACTED] 301st ICDC, Al Adamiya, Iraq did in fact detain Mr. [REDACTED] for suspected weapons trafficking, and then released him to C [REDACTED] Company, 3rd Battalion, 153rd Infantry Regiment, Fort Apache, APO, AE 09342. Upon coordination with LT [REDACTED] 153rd Infantry Regiment, it was determined Mr. [REDACTED] was received from the ICDC with visible injuries and subsequently treated at their battalion aid station, and then flown to Camp Cooke, IZ for further treatment. LT [REDACTED] also related his unit did not interview Mr. [REDACTED] and they never conducted any joint interviews with the ICDC. **b7C-6,66-6**

knees leaning forward, he was hit on the top left of his head twice. He said it had to be the ICDC who hit him, because it was from the front. He was then dragged outside, where he was kicked once in the left shin. He said when he was kicked, one of the English-speaking men was very close to him, so he believes he kicked him. He reported no other abuse occurred.

AGENT'S COMMENT: [REDACTED] could give no other details about the alleged suspects or the room.

About 1020, 1 Jul 04, SA [REDACTED] exposed photographs of [REDACTED] and his alleged injuries, using an Olympus Digital Camera. No injuries were visible during this interview. (See Photographs)

About 1730, 2 Jul 04, SA [REDACTED] reviewed [REDACTED] detainee file and determined he was captured 15 Jun 04 in the Baghdad area by "C/3-153 IN/301st ICDC". Documents stated that [REDACTED] was held at Camp Cook, starting on 15 Jun 04, and was listed in good health. A medical screening document, dated 18 Jun 04, noted the complaint of bruising on the left side of the head, but did not confirm the presence of a bruise. It also recorded that the bruise "did not happen here", referring to Camp Cook. On the body diagram, the left shin was marked, but unreadable. (See Detainee File)

AGENT'S COMMENT: No interrogation records exist at BCCF, due to [REDACTED] recent arrival. Also, no canvass interviews were conducted of the Military Police (MP) guards on duty because he complained of his abuse on the day he arrived at BCCF.

DETAILS

BASIS FOR INVESTIGATION: On 21 Jun 04, the 504th Military Intelligence (MI) Brigade (BDE), Joint Interrogation and Debriefing Center (JIDC), Baghdad Central Confinement Facility (BCCF), Abu Ghriyeb, Iraq (AGI), reported that detainee [REDACTED] National Detainee Reporting System (NDRS) [REDACTED] alleged he was abused while detained by Coalition Forces (CF) prior to his arrival at BCCF, AGI. b7c-4, b6

About 1300, 21 Jun 04, SA [REDACTED] received a Pre-Interrogation Medical Screening and statement written by CPT (DR) [REDACTED] A Co, 202nd MI Battalion (BN), [REDACTED] pertaining to [REDACTED] from the JIDC, which detailed his allegation of abuse. (See Pre-Interrogation Medical Screening and Statement). b7c-3, b7c-4, b6

About 0900, 30 Jun 04, SA [REDACTED] interviewed CPT [REDACTED] who stated she conducted the medical evaluation on [REDACTED]. She stated that during the screening, she noticed slight abrasions caused by "flexicuffs". When she inquired about the abrasions, [REDACTED] described to her that he was hit in the head with a rifle butt and kicked in the shin six days prior, while detained by US Forces at an unknown location in Baghdad, Iraq. DR [REDACTED] stated she observed some swelling on [REDACTED] mid-shin and he complained of tenderness in the area. She found no signs of trauma or injury on [REDACTED] head. DR [REDACTED] stated some type of head trauma should be present if the incident occurred six days prior. She further stated it was her opinion that [REDACTED] was not hit in the head with a rifle butt, when he stated the incident occurred. She could not attest to the veracity of his leg injury. b7c-4, b6

About 1600, 30 Jun 04, SA [REDACTED] reviewed the medical records of [REDACTED] and determined that on 19 Jun 04, the day prior to his abuse complaint, a medical screening was conducted. During the screening, [REDACTED] was asked by the medic, "Were you mistreated since being detained?" [REDACTED] replied, "No." (See Medical Records) b7c-4, b6

AGENT'S COMMENT: No other medical records exist at BCCF.

About 1700, 30 Jun 04, SA [REDACTED] interviewed HM2 [REDACTED] 391st MP BN, BCCF, AGI, who conducted the medical screening of [REDACTED] when he was in-processed. HM2 [REDACTED] stated that he didn't remember the detainee specifically, but stated that he would have recorded any allegations of abuse. knees leaning forward, he was hit on the top left of his head twice. He said it had to be the ICDC who hit him, because it was from the front. He was then dragged outside, where he was kicked once in the left shin. He said when he was kicked, one of the English-speaking men was very close to him, so he believes he kicked him. He reported no other abuse occurred.

AGENT'S COMMENT: [REDACTED] could give no other details about the alleged suspects or the room.

About 1020, 1 Jul 04, SA [REDACTED] exposed photographs of [REDACTED] and his alleged injuries, using an Olympus Digital Camera. No injuries were visible during this interview. (See Photographs)

About 1730, 2 Jul 04, SA [REDACTED] reviewed [REDACTED] detainee file and determined he was captured 15 Jun 04 in the Baghdad area by "C/3-153 IN/301st ICDC". Documents stated that [REDACTED] was held at Camp Cook, starting on 15 Jun 04, and was listed in good health. A medical screening document, dated 18 Jun 04, noted the complaint of bruising on the left side of the head, but did not confirm the presence of a bruise. It also recorded that the bruise "did not happen here", referring to Camp Cook. On the body diagram, the left shin was marked, but unreadable. (See Detainee File)

AGENT'S COMMENT: No interrogation records exist at BCCF, due to [REDACTED] recent arrival. Also, no canvass interviews were conducted of the Military Police (MP) guards on duty because he complained of his abuse on the day he arrived at BCCF.
