Internal Investigations Section has been coordinating these matters in an attempt to maintain internal consistency, and to ensure the Bureau's interests are protected. We are waiting for more centralized guidance and coordination at a much higher level than we are. But, for right now -- please forward any of these requests for interviews to [Redacted] or me. All

I am looking for some guidance. DOD military investigators (CID, NCIS) have reached out to SAs in the field who MLDU sent TDY to Afghanistan. These contacts have been regarding allegations of detainee abuse or deaths. The two calls I have fielded were requests to interview SAs as witnesses. Thus far, I have had any SA who is contacted, refer the investigator to MLDU.

Can I get some guidance or clarification on how to proceed in this matter either from OGC, OPR or both?

Thanks,
