Valerie:

Thanks for these updates.

1) Re: Eleni's inquiry below, do you have a view re: including the May 2004 EC? I'm blanking re: whether we've discussed that (or whether I have it).

2) I will need the 1/6/05 letter, along with the attachments. Do you have those? Could I come over and make a copy?

I have made some changes to the first document (not the redline version).

I do wonder if we shouldn't also provide a copy of the EC that Caproni and Pistole signed out in May 2004 reminding Agents deployed overseas of the FBI's policy re interview techniques. It seems to me that that would be responsive the questions asked. Please check with Valerie about including that.

Thanks,  
Eleni

Several changes were actually necessary. Attached is the revised answer. You will also need (if you don't have) a copy of the 1/6/05 letter.

Valerie:

Last fall you provided a response to a Congressional Question for the Record (QFR) re: our involvement with and knowledge of detainee treatment. The responses to that set of QFRs have been sitting at DOJ for the past several months. The Director recently asked Eleni if we had updated our response re: detainees, and I am trying to determine whether an update is appropriate.

Beth Beers has informed me that late in 2004 we took a slightly revised look at the detainee issue. For example, we had originally said, [Redacted]

The entire response to the QFR is attached. Could you please

review it and revise it as necessary? I don't think its clearance by DOJ is imminent, but Eleni would like to be able to tell the Director pretty quickly whether we are in the process of revising the response.

Thanks for your continued help on this. Someday it will actually get submitted to the Hill, I promise.
