Subject: Abuse Allegation from Tribunal

Valerie,

 reported to his Tribunal via a written statement an allegation where he claims to be a victim of abuse. He claims to have been mistreated by two FBI agents in Afghanistan who returned to interrogate him at Guantanamo Bay and during the interrogation at GTMO threatened to "torture him more" if he failed to confess.

I have a Memorandum for Record from OARDEC describing the statement and will forward that to Valerie via fax. I have initiated the process to obtain the statement itself which I will forward on receipt.

Please contact me with further direction (ie forward to Inspection Div).
